Dr Sajeew Job

FRCPCH MRCPCH MRCPs DCH

Dr. Sajeew Job is a **GMC-registered Consultant Neonatologist and Paediatric Cardiologist** with over 20 years of specialist experience. He currently serves as a **Consultant Neonatologist at Addenbrooke's Hospital, Cambridge**, where he leads in neonatal cardiology, hemodynamics, and advanced neonatal transport as a **PaNDR Transport Consultant**.

He is an RCPCH **College Tutor** and former neonatologist in the North East, and has undertaken medico-legal training including the **Bond Solon Excellence in Report Writing** and the **Irish Systems Legal Masterclass**. Dr. Job is regularly instructed in high-acuity neonatal and paediatric cases involving **cardiac anomalies, transport complications, ventilatory support, neonatal hypotension, withdrawal of care, and echocardiographic misinterpretation**. He produces CPR-compliant reports with a **turnaround time of 2 weeks**, known for their clarity and depth.

He is also a widely published author with over 15 peer-reviewed publications and is the **Treasurer of NICHe** (Neonatologists with Interest in Cardiology and Hemodynamics).
