Dr Deepa Panjwani

MBBS FRCPCH

Dr. Deepa Panjwani is a Consultant Neonatologist with nearly two decades of clinical experience, currently based at University Hospital Leicester. She has completed advanced Neonatal GRID training across multiple leading NHS trusts and gained international experience in Singapore. Dr. Panjwani holds the MRCPCH qualification and is registered with the General Medical Council.

She is a certified expert witness, having completed comprehensive training with Bond Solon in 2025—including civil law, courtroom skills, and excellence in report writing. Her medico-legal reports are praised for their timeliness and depth of neonatal insight.
