Dr. Adnaan Haq

MBBS (St George's, 2013), FRCOphth (2022), PGCert Med Ed (2023), CertLRS (2024, pending), FWCERS (2025, pending), GMC Registered.

Dr Adnaan Haq is a UK-trained Consultant Ophthalmologist and a full-time NHS Consultant at Central Middlesex Hospital, with a specialist focus on cataract and refractive surgery. He also holds consultant roles at Harley Vision, where he performs a high volume of complex procedures including LASIK, PRK, and refractive lens exchange. Dr Haq trained at Moorfields Eye Hospital and has held multiple leadership roles, including Cataract Lead at Central Middlesex and OPT trainer for allied healthcare professionals.

He is now developing a specialist medico-legal practice and is available for instruction in clinical negligence and personal injury matters involving ophthalmic care. His clinical background spans acute ophthalmology, glaucoma, and complex anterior segment surgery. A published author with peer-reviewed research and textbook chapters to his name, Dr Haq also holds a Postgraduate Certificate in Medical Education and frequently delivers CPD-accredited training sessions. He is undergoing formal expert witness training via British Medical Experts and will complete further courses in civil procedure, consent, and courtroom skills. He is GMC registered and committed to providing clear, well-reasoned medico-legal reports tailored to the legal audience

My Profile & Key Experience

Areas of Expertise

Cataract and complex cataract surgery

Refractive surgery (LASIK, PRK, RLE)

My Career History & Clinical Roles

Current Clinical Roles

Consultant Ophthalmologist | Central Middlesex Hospital | [2023 – Present]
Harley Vision | 2024- Present

Dr Haq is a substantive NHS consultant specialising in cataract surgery and medical glaucoma. He leads the hospital's cataract services and oversees surgical training and clinical governance. He also consults and operates on acute ophthalmic cases and supervises MDT care pathways.

Privately, he performs refractive procedures including LASIK, PRK, and RLE at St.John's and St. Elizabeth Hospital and in Harley Street.

Lead: Cataract service development and quality improvement

Specialist: Complex anterior segment and glaucoma management

Educator: CPD lecturer and mentor to optometrists and junior doctors

Previous Roles

Consultant Ophthalmologist | Optical Express]- 2023 to 2025

Locum Consultant | Moorfields Eye Hospital

Specialist Trainee | North London Deanery & Moorfields Eye Hospital | ST1–ST7

Ophthalmology Research Fellow | Leicester University Hospitals

Medico-Legal Training Highlights / CPD
