Prof. Jeremy Wright
MD FRCOG

Professor Jeremy Wright is a senior Consultant Obstetrician and Gynaecologist with over 40 years of clinical experience and an extensive track record in both NHS and international healthcare environments. He has held academic and clinical leadership roles, including as Visiting Professor at the University of Surrey, and Clinical Director of the MSc in Advanced Gynaecological Endoscopy.

Prof. Wright has practiced as a consultant at Ashford & St. Peter's NHS Trust and contributed to training, policy, and complex casework in multiple UK and global institutions. His medico-legal work is supported by extensive research credentials, including authorship of over 60 peer-reviewed publications. He provides CPR Part 35-compliant reports with a turnaround time of 2 weeks
