Dr Muhammad Ishtiaq Ahmed

FRCS, MRCS, MBBS

Dr. Muhammad Ishtiaq Ahmed is a GMC-registered Consultant General and UGI Surgeon with over 25 years of medical and surgical experience. He is currently based at North Tees and Hartlepool NHS Foundation Trust, where he also serves in several senior roles including Clinical Lead for Emergency Surgery (NELA), Associate Director of Information Systems, and Chair of the Consent to Treatment Working Group.

Dr. Ahmed is a member of the UK Register of Expert Witnesses and trained in medico-legal procedures with Bond Solon (2024). He has been actively involved in clinical safety, information governance, and digital innovation, receiving national recognition for his work on CareScan, a patient safety improvement project. He provides CPR Part 35-compliant reports, typically within 2 weeks of instruction, with particular focus on laparoscopic surgery, consent disputes, emergency decision-making, and surgical system failures
