Dr. Muhammad Usman Khan

FCPS in General Surgery, MRCS, Diploma in Advanced Laparoscopic Surgery, MBBS

Dr. Muhammad Usman Khan is a Consultant Bariatric and Upper GI Surgeon at University Hospital Birmingham NHS Trust, with over 15 years of international experience in laparoscopic, bariatric, and general surgery. He is listed on the UK Register of Expert Witnesses, and regularly provides CPR Part 35-compliant reports across a wide range of surgical issues, including complex bariatric complications, informed consent, and surgical error.

He has held consultant-level posts in the UK, UAE, and Europe, including at Cleveland Clinic Abu Dhabi and Valiant Clinic Dubai. Dr. Khan has published extensively on bariatric complications and minimally invasive surgery, and brings MDT and international surgical teaching experience to his medico-legal practice. His background in managing complex operative and postoperative cases informs his structured, evidence-based reporting
