Dr Racquel Smith-Wildes

MBBS, FRCR

Dr. Racquel Smith-Wildes is an experienced Consultant Clinical Oncologist currently practising at The Beacon Centre, Musgrove Park Hospital, Somerset, UK. She has a dynamic clinical portfolio spanning the UK, the Caribbean, and internationally. Her career includes consultant roles at Oxford University Hospitals, Mount Vernon Cancer Centre, and King Edward Memorial Hospital in Bermuda.

She brings expertise in radiotherapy planning, breast and prostate cancer, precision oncology, and cancer genetics, alongside extensive experience in medico-legal reporting. Her breadth of international and UK practice uniquely positions her for complex clinical negligence and treatment-related medico-legal cases.

She is a registered expert on the UK Register of Expert Witnesses, a MasterClass Expert with Irish Legal Training, and has completed Bond Solon certifications in Report Writing and Civil Procedure Rules. Dr. Smith-Wildes provides CPR Part 35-compliant reports with a 2-week turnaround and is especially suited for cases involving radiotherapy errors, delays in diagnosis, consent disputes, and treatment complications.
