Professor Andrew Wardley

**MB ChB (Hons), MRCP (UK), MSc, MD, CCST, FRCP (London),
FACP (UK)**

Professor Andrew Wardley is a highly distinguished Consultant Medical Oncologist and a global leader in breast cancer research and treatment. With over two decades of experience, he has led numerous clinical trials, influenced national cancer policy, and contributed extensively to the development of cancer therapeutics. He holds multiple leadership roles including Executive Chair of the Association of Cancer Physicians, and is a former Clinical Expert Advisor for NICE.

He has provided expert witness evidence in high-profile litigation, particularly relating to oncology clinical negligence, systemic therapy complications, and trial conduct. His medico-legal reports are CPR Part 35-compliant and typically delivered within 2 weeks of instruction
