## Dr Mahesh Sathiavageeswaran

FRCP (London) | MD (Pathology) | Bond Solon Accredited (2024)

Dr Mahesh Sathiavageeswaran is a GMC-registered Consultant in Acute Medicine and Endocrinology with over 30 years of clinical experience, including more than two decades as a consultant within the NHS. He currently practises at the University Hospitals of North Midlands NHS Trust, where he leads the endocrine and bariatric services and contributes to postgraduate education, clinical governance, and academic publication.

He has completed Bond Solon certification in Excellence in Report Writing and Civil Procedure Rules (2024), ensuring that all his reports are fully compliant with CPR Part 35 and Part 11 of the Criminal Procedure Rules. He has attended the CUBS certification training day on Cross examination of Expert witness .His medico-legal work focuses on clarity, impartiality, and robust evidence-based reasoning.

Dr Sathiavageeswaran's practice combines his expertise in acute medicine and endocrinology to address complex issues such as diagnostic delay, hospital standards of care, endocrine emergencies, diabetes mismanagement, and adverse drug reactions. His dual clinical background allows him to provide comprehensive causation analysis and balanced, defensible opinions grounded in current NHS practice.

As a Medical Examiner, he works closely with GPs, hospital clinicians, and coroners—experience that enhances his insight into documentation, certification, and the wider medico-legal interface. Solicitors value his reports for their clarity, procedural compliance, and prompt turnaround (typically 2–3 weeks from instruction).
