Dr. Stamatios Zouras

MD, MSc, MRCP UK, LONDON

Dr. Stamatios Zouras is a GMC-registered Consultant Physician in Endocrinology, Diabetes, and General Medicine with over 20 years of international medical experience. He is currently practising across Glangwili General Hospital, Prince Philip Hospital, and Cardigan Hospital, where he manages complex endocrine disorders and acute general medical cases. He holds dual MSc degrees in Endocrinology and Genomic Medicine, alongside CCT in Endocrinology and GIM, and MRCP UK.

Dr. Zouras is listed on the UK Register of Expert Witnesses and provides expert medico-legal reports in cases involving diabetes mismanagement, endocrine emergencies, medication-related harm, delayed diagnosis, and thyroid disease. His reports are CPR Part 35-compliant and typically delivered within 2 weeks of instruction. He has completed advanced CPD and academic training in diabetes complications, COVID-related mortality in diabetics, and thyroid-related psychological impacts
