Dr Nadeem Anwar

FRCP (UK), MBBS, PLAB, MRCP, SCE, GIM CCT

Dr. Nadeem Anwar is a **GMC-registered Consultant in Respiratory and General Internal Medicine** with over 20 years of medical experience, including over 6 years as a substantive NHS consultant. He currently leads respiratory care at **East Lancashire Hospitals NHS Trust**, where he also supports acute general medical admissions.

He is dual-accredited with a **CCT in Respiratory and General Internal Medicine**, and holds the **Specialist Certificate Examination (SCE)** in respiratory medicine. Dr. Anwar completed **Bond Solon's Excellence in Report Writing** and has published multiple peer-reviewed case studies. His medico-legal practice covers **pulmonary embolism, pneumonia (including PVL), pleural disease**, delayed diagnosis, COPD/asthma exacerbation management, and respiratory consequences of COVID-19.

Reports are delivered clearly, with clinical authority and prompt turnaround—typically **within 2 weeks** of formal instruction.
