

## Terms of Sale and Refund Policy

At *Imaginative Staging by Molecule Design*, clarity is part of our design philosophy. We believe in transparent, fair, and respectful exchanges — and that includes how we offer our digital courses and creative tools. These Terms of Sale explain what you're purchasing, how access is provided, and the policies that protect both you and our work. Please take a moment to read them before completing your order. By purchasing, you acknowledge that you've reviewed and agree to these terms.

These terms govern all purchases made from *Imaginative Staging by Molecule Design*, including online courses, digital downloads, and bonuses,

All sales of digital products, including online courses and downloadable materials, are **final**. Because access is granted immediately upon purchase, **no refunds, exchanges, or cancellations** will be provided.

By completing your purchase, you acknowledge that you are buying a **non-transferable, personal license** to access this course content for your own individual use.

Unauthorized sharing, reproduction, or distribution of any course materials is strictly prohibited.

We make **no guarantees of specific results or earnings**, as outcomes will vary based on individual effort, implementation, and circumstances.
