Organized & Hosted by

The Association of Professional Career Counsellors of India (APCCI) is a registered non-profit organization headquartered in New Delhi, working to elevate the standards and impact of career counselling across the nation. Founded with the mission to empower India's future workforce, APCCI nurtures a growing community of certified career professionals by offering structured training, peer networking, policy advocacy, and capacity-building initiatives.

As the national leader in professionalizing the field of career guidance, APCCI is the driving force behind AICCC 2025: A landmark convention that brings together career counsellors, educators, institutions, and changemakers to collectively advance the goal of "Access to Professional Career Guidance in Educational Institutions - A Pathway to Viksit Bharat @2047."
