

# THE PRACTICE RACE

A Voluntary Activity. This is not a graded assignment.

YOUR MISSION: Find time to practice outside of class. Options include:

- Get a pass and come during study lab Thursday or Friday
- Practice at home
- Come before school (the band room is open at 7:30 am)
- Practice after school (I am here until 3:45)

## HOW TO LOG YOUR MINUTES

1. Grab a practice log from the band room
2. Fill it out each day that you practice
3. Have a parent sign it to verify you did practice
4. Turn it in to Mrs. Rubio on Mondays. **BEFORE FIRST HOUR**

## REWARDS

Weekly practicers:

- 120-150 mins a week: pick a sticker from the sticker box and be permitted to leave class 1 min early
- 90-119 mins a week: pick a sticker from the sticker box
- 30-59 mins a week: candy

Overall practicers:

- Most mins: the student that racks up the most practice mins gets their very own gnome and gets to draw from the special prize box
- Second and third place get to draw from the regular prize box

## RULES

- Practice log only counts if you fill it out correctly and truthfully. Students discovered to have provided false information will have all mins for that week discarded.
- Each day you practice must be filled out completely for that day. You do not have to practice every day but on the days you do practice you must fill out all the boxes for that day.
