OUR PURPOSE

WHY

HELPS BROKERS TO

REDUCE COSTS	INCREASE SERVICE LEVELS EXPONENTIALLY	BOOST REVENUE
Sales, admin, claims, compliance, insurance, accounting-and-software, all contribute to up to 47% of a brokerage's expenses. Efficiency can be improved by 40% by plugging into the 40Four admin echo system to streamline and automate your business whilst upholding personal service to your clients. This is made possible by our dynamic insurance platforms, systems, and procedures.	40Four will help brokers take their client service to the next level with exceptional support, compliance solutions, and personal service; enabling our brokers to focus on what matters – Their relationship with clients. Our binder agreements give us total control of the entire insurance cycle.	We have meaningful and selective partnerships with brokers and insurers. Become a mandated broker to rapidly increase revenue with fees by placing existing and new business strategically whilst ensuring better cover for your clients.
