

DIY Programs Refund Policy

Last Updated: 10/01/2025

All **Do-It-Yourself (DIY)** programs offered by **Dominion Chamber Syndicate** or **any of its parent companies or subsidiaries** are **non-refundable**. By purchasing a DIY program, you acknowledge and agree to the following:

1. Immediate Access & Lifetime Use

* DIY programs are digital products that provide **instant and lifetime access** to educational materials, tools, and templates.

* Because you gain immediate access to proprietary content, no refunds are available once access is granted.

2. Self-Guided Learning

* DIY programs are **self-directed**. They provide the training, frameworks, and resources to help you move forward and conduct your own research.

* Results depend on your effort, consistency, and ability to implement the information provided.

3. No Guarantee of Results

* We make **no promises or guarantees** about credit outcomes, deletions, funding approvals, or timelines. Each person's situation is unique.

4. Additional Work May Be Required

* DIY programs may not include every step needed for your exact circumstances; you are expected to do your own due diligence, research, and implementation.

5. No Refunds for Inaction or Dissatisfaction

* Refunds are not offered for failure to use or complete the program, dissatisfaction with results, or changes in personal circumstances.

By completing your purchase, you accept this **No Refund** policy and understand that **all DIY program sales are final**.
