

Welcome to The Power of The Patch!

*A Patented Breakthrough
In Wearable Light
Technology*

1. Health is Our Greatest Wealth

2. The Symptoms of Aging and Disease are NOT Fun!

*Remember when you could
work all day...
party all night...*

*Then get up tomorrow
and do it again?*

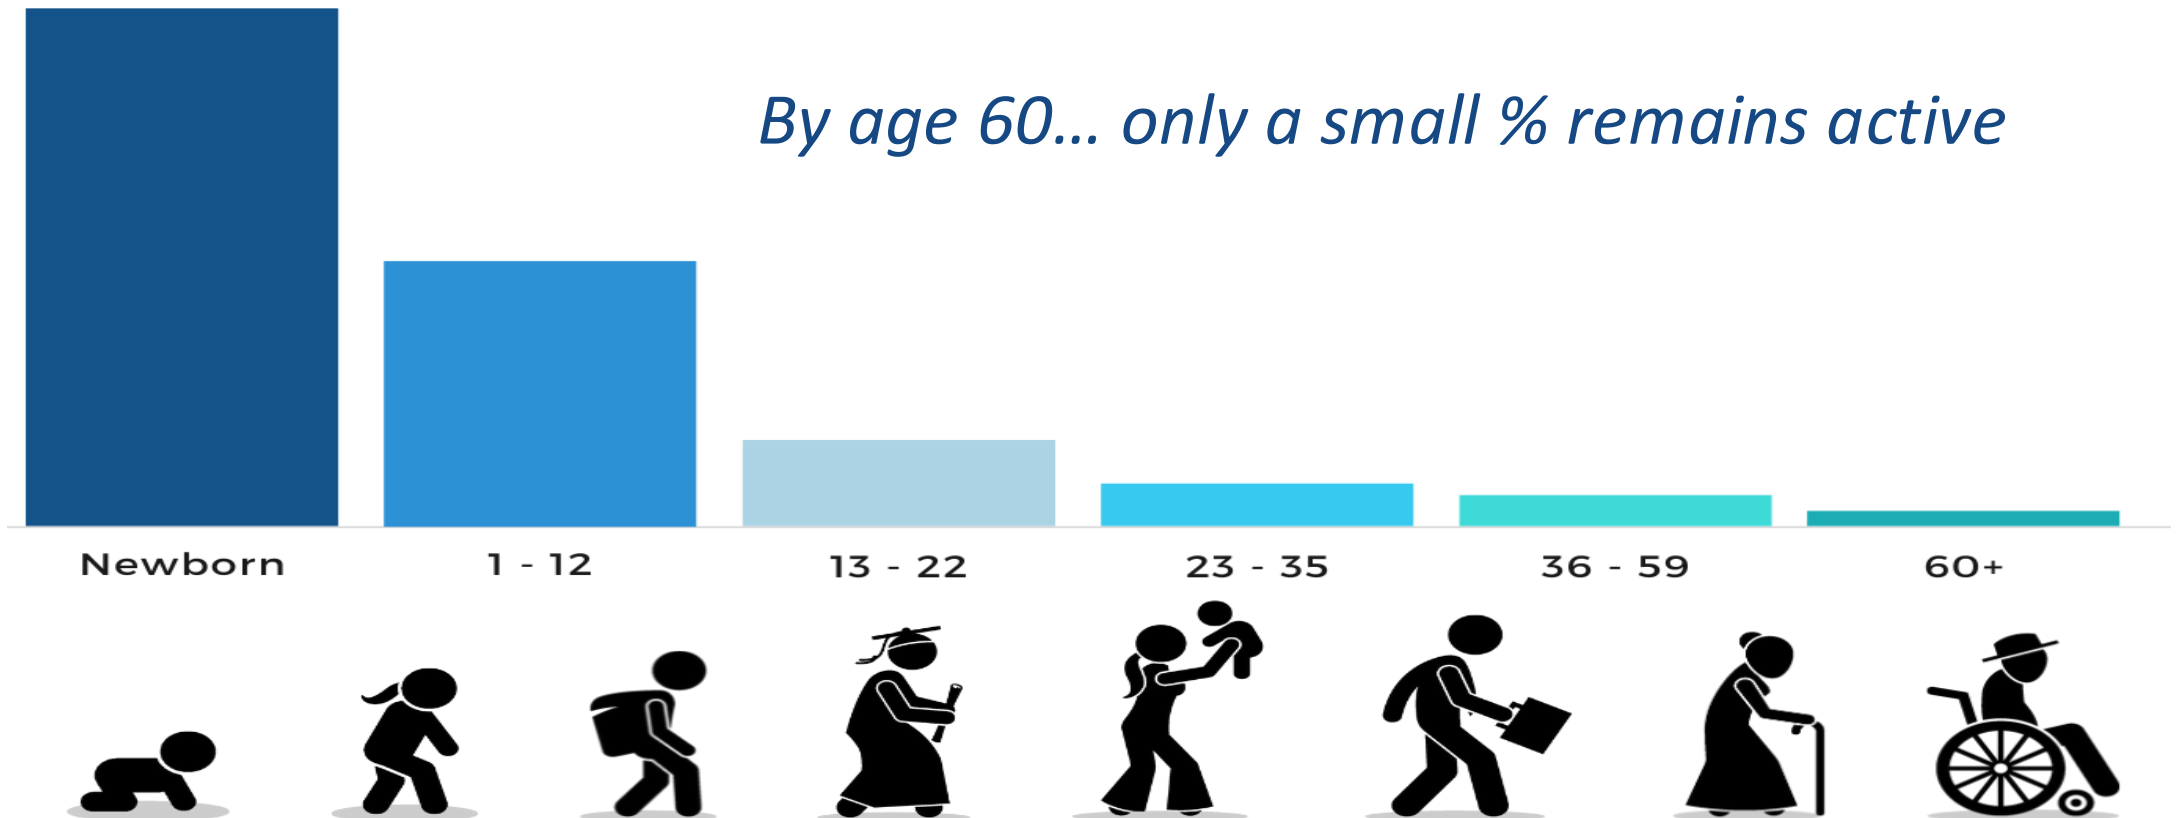

The Older you get the FASTER you Age and SLOWER you Heal

Due to a natural decline in our body's #1 repair system... STEM CELLS!

By age 30... they have decreased by approx. 50%

By age 60... only a small % remains active

**I finally figured out
what I want to be
when I get older...**

Younger!

2 Personal Questions

1. *If you could change one thing in your health... or in the health of someone you love and care for, what would it be?*
2. *What impact would reducing or eliminating that issue have on your or their quality of life?*

NOTE: LifeWave products are not designed or intended to heal, treat, cure or diagnose any disease. They do however help our bodies to get back into a healthier regenerative mode... and many times, wonderful things then begin to happen.

If I can show you a safe and affordable way to change your trajectory of aging... so you can **Look**, **Feel** and **Live Younger Longer**

The X39 Wearable Light Technology Is Truly A Historic Breakthrough in Holistic Wellness

- A new patented, inexpensive wearable patch
- Affordable, safe, non-invasive & drug-free
- Unique form of phototherapy which uses specific frequencies of light to increase and improve your health and wellness
- Support your body's innate ability to heal itself

**Be the light
with LifeWave X39.**

The Power of the Patch

- Based on the science of photo-biomodulation
- LifeWave patches contain very specific combinations of organic materials and nano crystals
- When applied to, or near the body, they're activated by our infrared body heat (LIGHT)
- They then emit very specific wavelengths of LIGHT that stimulate targeted and beneficial biochemical responses in the body
- This is the scientific basis of our LifeWave photo-therapy patches
