Your Customized Sponsorship Material

7. Real Story Highlight

Caption:

"We didn't think it could happen to our family. But one fake pill changed everything." Real stories. Real warnings. Learn. Share. Talk. TalkToYourKids.org

[Image Download Link](#)

8. Interactive Post (Engagement)

Caption:

POLL: What age do you think parents should start talking about drug safety? The answer might surprise you. TalkToYourKids.org

[Image Download Link](#)

9. Testimonial Post

Caption:

"This guide helped me have the talk I was too scared to start." – A Mom
Parents helping parents. Let's protect our kids—together. TalkToYourKids.org

[Image Download Link](#)

Your Customized Sponsorship Material

10. Community Call-to-Action

Caption:

This is bigger than one talk—it's a movement. Share this post. Tag another parent. Together, we build a safer future. TalkToYourKids.org

[Image Download Link](#)

11. Myth Busting

Caption:

MYTH: "My child would never try drugs." FACT: Most parents believe this... until it's too late. Let's change that. TalkToYourKids.org

[Image Download Link](#)

12. Age-Specific Tip

Caption:

Talking to a 10-year-old about drugs isn't the same as talking to a teen. Age-specific scripts and strategies. TalkToYourKids.org

[Image Download Link](#)

Your Customized Sponsorship Material

13. Friend of a Friend Scenario

Caption:

What if your child's friend is offered drugs? Would they know how to help? Prepare them for real-life moments. TalkToYourKids.org

[Image Download Link](#)

14. Fentanyl Fact #1

Caption:

FACT: Fentanyl is now involved in 7 out of 10 teen overdose deaths. Knowledge is power. Start the conversation. TalkToYourKids.org

[Image Download Link](#)

15. Call to Action: Download Now

Caption:

Get the FREE parent guide that's helping families start lifesaving conversations. Don't wait. Don't guess. Talk now. TalkToYourKids.org
