CLIENT FEEDBACK

"Tara's ability to captivate the room of 20 young women was unlike anything else we had ever seen. Additionally, after three years of running the conference and several dozen guest speakers, Tara received the highest score we have ever had from our attendees. We were absolutely thrilled to receive feedback from the volunteers stating: "Tara gave us REAL tangible advice and taught us things we didn't already know", "This woman was AMAZING! She was so inspiring and after hearing her speak, she made me want to go out and change the world in every possible way I could!", and "I already knew we had an impact, but she made any doubt about what we do making a difference, go away."

"You inspired people in the room that had no plan to give. A person behind me raised their paddle high and bid on the vacation package- this was their first time at the Gala, and they were so inspired by you, that they spent \$17,000 without planning to! During the paddle raise so many people participated raising their hands and donating, \$100, \$1000, \$5,000, \$10,000 and even \$20,000! Our auctioneer had already sponsored the event with no intention of making an additional donation, but she was so inspired by your story that she made a \$20,000 donation. I firmly believe you helped us raise an additional \$75,000 - \$100,000 that evening."
