Q&A: THEY'RE LEARNING FROM US

LISTENING GUIDE:

- 1 • How do you know when someone is over-identified with their 'performer' self?
- 2 • When have you crossed the line where your convictions led to self-righteousness? Who was it with? What was the situation?
- 3 • Thoughts on this quote: "Don't limit children to your own learning for they have been born in a different age"?
- 4 • When have you managed a situation where someone on your team was getting positive reinforcement for things that were bad for the team?
- 5 • What do you think of this line? "If your team is not paying attention to you, you need to get better stuff."
- 6 • Think about the next month (and trying to be your best self). What do you need to say, 'Yes' to? And, what do you need to say, 'No' to?
- 7 • How does having a strong purpose allow you to stay sober? In 10 words or less (one sentence), what's your purpose?
- 8 • When have you allowed yourself to be compromised to the point where you couldn't serve your purpose?
