

NOVA MUSIC SCHOOL

Nova Music School was established in Brampton, Ontario, to cultivate musical talent in our community. Our dedicated instructors and enthusiastic students have created a vibrant environment where music thrives.

Currently, we offer classes in Piano, Vocal, Violin, Guitar, Drums, and Alto Sax, nurturing the skills of over 100 aspiring musicians. Our students regularly perform at community events, and Nova Music School is well recognized for its creative and inspiring performances. Our mission is to "Enrich Lives Through Music" and keep the spirit of music education alive in Brampton.

To further this mission, we organize a variety of events throughout the year, including concerts, recitals, workshops, and community performances. These events provide a platform for young musicians to showcase their skills, gain valuable performance experience, and engage the community in the joy of music.

Our objective is to provide an opportunity for young musicians to showcase their skills, foster a deeper appreciation for music, and engage the community in this artistic celebration.
