We're serving up giant portions of American classics with a unique twist, from our legendary waffle burgers to our fluffy pancakes. Whether you're craving a full English breakfast or a fancy afternoon tea, we've got something for everyone.

Woo Hilary

★★★★★

We went for lunch as she's not been there for ages. Foods were amazing, staff members were friendly and meticulously asked if we had dietary requirements or allergies. My friend enjoyed her vanilla chai latte a lot. 12/10 would go again.

Courtney B

★★★★★

I came to Fress with 7 others for my friends birthday and we had the bottomless brunch . Food was lovely and was extremely fast we got our meals within 15 minutes and staff was friendly and was fast with the drinks for the brunch . Will definitely be back .
