

SCVAA WARRIORS CROSS COUNTRY

Excellent conditioning program for track season, soccer, football, and many other sports! Improves strength and stamina.

Family participation is encouraged. Join us on foot or bike as we run on trails and through the parks of Santa Clarita.

Coaching is individualized to ability. Personal improvement is fostered and celebrated.

Meets are on weekends in Santa Clarita, the San Fernando Valley & Ventura County.

Athletes learn how to set goals and work hard to achieve personal records, while being part of an amazing cross country community.

The Warriors are a parent volunteer-run program dedicated to the success of your athlete.
