CALL 780-502-7022

A donation account has been set up at ATB Financial for George & Leah Fehr, daughter and son-in-law of Peter & Lisa Wolfe.

George was diagnosed with pineoblastoma stage 4 cancerous brain tumor. Since medical didn't sound very promising, due to not being familiar with this cancer in adults, they've decided to pursue a private clinic in Texas which is not covered by health care. This treatment is quite expensive and will continue for a minimum of six months. This account will be open as long as treatments are needed.

Prayers and financial help would be greatly appreciated.

GUEST SPEAKER

Carl Walper
 Immunotec Legacy Leader and Speaker
 Carl was the first Consultant to meet the founders of Immunotec in 1996. Inspired by their groundbreaking research on glutathione, he immediately saw the life-changing potential of Immunotec. For nearly 30 years, Carl has passionately shared this mission, helping thousands improve their health and well-being. Alongside his wife Sandi, he's built a legacy of purpose, vision, and heart. Carl's deep knowledge and clear communication continue to inspire new generations to believe in something greater.

There's an amazing event in Lethbridge, Alberta, with people from different countries coming to learn & Share about Immunotec products.

Please come join us! Let me know if I can reserve a FREE seat & gift for you.

Be at the Seminar at 12PM to register (children under 12 are free). Seats are limited so get yours ASAP. It's an event open to anyone.

Snacks & coffee available after the meeting.

Heimstaed Lodge Expansion Update

The Need:

- All 80 beds at the lodge are at full capacity which includes the 26 Supportive Living (SL2) beds and 54 Continuing Care beds (SL3, SL4, SL4D)
- Currently the waitlist is at 52 seniors, and this is projected to continue growing
- The senior population is at 1050 in the Mackenzie County and using the last 20 years of growth trends, this number is projected to be close to 1400 seniors by 2030.

Work done to date:

- LCMNA hired L7 Architecture in October 2023 to design an expansion to the existing Heimstaed Lodge. Blueprints are completed and ready for construction.
- The design for Phase 1 north includes an ambulance bay, chapel/common room, administration, activity area and 81 continuing care suites in a 2-storey design. The first level suites in both phases will meet Long Term Care (LTC) design standards.
- Phase 2 (future) west design includes 40 continuing care suites in a 2-storey design.
- Both phases of expansion would add a total of 121 suites to the existing lodge.
- Completed the kitchen expansion and renovation in June 2025. The new kitchen is large enough to handle both phases of Lodge expansion.
- Land has been prepared, which has included moving the Knelsen house and the public health/homecare building. The utilities are also in the process of being moved and buried underground.
- Total cost of work done to date is \$3.4M. LCMNA has taken a \$2M loan for work already done.

Next steps:

- The total project cost for phase 1 is estimated at \$30M.
- LCMNA has approached the AB Government for \$25M of capital funding and an operating contract for long-term sustainable operations of the healthcare services. LCMNA has committed to fundraising \$5M in the community.
- LCMNA has distributed pledge forms for the community to commit funds to the project.

The Positives:

Our project should be favorable for government support for the following reasons:

- It's shovel ready (blueprints, land cleared and serviced, municipal approvals etc.)
- Large community support with financial donations (\$1.7M in pledges/donations towards expansion plus \$2.8M to operations over last 3.5 years) and volunteer hours (annually over 24,000 hours between Lodge and Care & Share)
- Demonstrated operational competency since assuming operations in September 2021
- Care & Share contributions offset operational deficit

Challenges:

- The formal proposal to request capital and operating funds from the government is not yet available and LCMNA won't know until spring of 2026 if our proposal will be accepted.
- The LCMNA board made the decision not to proceed with construction this year as it will decrease our chance of getting both capital and operational funding from the government.
- LCMNA realizes the urgent need for lodge expansion, but long-term sustainability involves partnership with the AB Government

What can you do?

- Pray that God will lead and give wisdom as the board makes decisions
- Pledge a donation to get to the \$5M goal. To donate: e-transfer to ap@lcmna.ca or mail cheque to Box 544 La Crete AB. Please include your address for a tax receipt
- Write letters or call the Assisted Living and Social Services ministry about why the Lodge expansion is so important
 - Phone 780-643-6210, email SCSS.minister@gov.ab.ca
 - or mail to Office of the Minister, Assisted Living and Social Services, 227 Legislature Building, 10800-97 Avenue, Edmonton AB, T5K 2B6

Thank you to the entire community for all your support!

Contact George Fehr at [780-841-5745](tel:780-841-5745) or Willie Wieler at [780-841-1507](tel:780-841-1507) for more information.

Donation Pledge Form

The Heimstaed Lodge is at capacity with a growing waitlist of over 40 seniors. The latest county census data indicates we have more than 1050 seniors over the age of 65 and is trending to be over 1400 by 2030. The need for expansion is urgent!

Project Scope: LCMNA is proposing to build a two storey 81-bed expansion connected to the north side of the existing Heimstaed Lodge. The suites are designed to accommodate the highest care needs. The expansion also includes an administration area, ambulance bay, multi-purpose/chapel room and general activity space. The estimated project cost is \$30M. LCMNA has asked the provincial government for \$25M and are asking the community to raise \$5M.

We invite you to support this important project and pledge your donation. All the information will be kept confidential.

INSTRUCTIONS

1. Fill out and sign
2. Email to ap@lcmna.ca , mail to Box 544, or drop off at Heimstaed Lodge front office

FULLY SYNTHETIC ENGINE OIL

SAE 5W40
API CK-4

KICK

LUBRICANTS

FULLY SYNTHETIC ENGINE OIL

EXCELLENT PERFORMANCE

Kick Semi Synthetic oil is specially formulated with selective synthetic fluids and advanced additives with low levels of Sulphated Ash, Phosphorous and Sulphur (SAPS). It is suitable for use in all modern passenger cars and light truck gasoline engines and light duty commercial diesel engines (LCVs). It provides maximum lubricity during high temperature operation and efficiency of emission reduction systems, without compromising engine durability.

El aceite semisintético Kick está especialmente formulado con fluidos sintéticos selectivos y aditivos avanzados con bajos niveles de cenizas sulfatadas, fósforo y azufre (SAPS). Es apto para su uso en todos los motores de gasolina de turismos y camiones ligeros modernos y en motores diesel comerciales ligeros (LCV). Proporciona la máxima lubricidad durante el funcionamiento a altas temperaturas y la eficacia de los sistemas de reducción de emisiones, sin comprometer la durabilidad del motor.
