# Thank You

We the family of John L. Driedger would like to sincerely thank everyone for the overwhelming support we've received during the time of our Dad's illness and after his passing.

We thank the loving and dedicated people who work at the Heimstaed Lodge for taking such great care of our Dad as he lived there his last three vears. You have all shown the love of the Lord in countless ways and we will always be grateful.

We thank Dr Henegan, the EMTs and all the staff at the Saint Theresa hospital in Fort Vermilion for the expert and loving way you cared for our Dad in his last days. We are so thankful he was treated with such kindness and dignity. We couldn't have asked for a better team.

We want to thank each person who reached out to our family in the form of prayers, visits, hugs, and words of encouragement, the phone calls, cards and texts from near and far, the flowers, the meals and the many other ways you've helped our family. We feel very blessed and supported and loved.

We want to thank all those that gave of their time and talents on the day of the funeral and memorial and the days leading up to it. The pastors, song leaders and so many others. Thank you and may God bless you all.

Our Dad, John L. Driedger was the founder of the businesses who have supported Dad's Bulletin.

#### **EXCELLENT PERFORMANCE**

Kick Fully Synthetic oil is specially formulated with selective synthetic fluids and advanced additives with low levels of Sulphated Ash, Phosphorous and Sulphur (SAPS). It is suitable for use in all modern passenger cars and light truck gasoline engines and light duty commercial diesel engines (LCVs). It provides maximum lubricity during high temperature operation and efficiency of emission reduction systems, without compromising engine durability.

El aceite semisintético Kick está especialmente formulado con fluidos sintéticos selectivos y aditivos avanzados con bajos niveles de cenizas sulfatadas, fósforo y azufre (SAPS). Es apto para su uso en todos los motores de gasolina de turismos y camiones ligeros modernos y en motores diesel comerciales ligeros (LCV). Proporciona la máxima lubricidad durante el funcionamiento a altas temperaturas y la eficacia de los sistemas de reducción de emisiones, sin comprometer la durabilidad del motor.

We are setting up a fundraiser for Betty Klassen. Her husband left the family with nothing but a trailer that was broken into and robbed. She is on her own raising two young boys and needs financial help. She is working, but will still need help with living expenses, utilities, groceries, and finding somewhere to live. Any donations would help.

# Fundraiser Auction Sale

All proceeds (including lunch) going to the *Heimstaed Lodge expansion project*.

As a community, we have already raised over \$2.5 million in pledges and donations! Over halfway to our \$5 million goal!

When: Saturday, August 23, 10:00 am

Where: the Heritage Center

Lunch will be available to purchase on site.

- Auction items can be dropped off from August 14 22, at the Heritage Center.
- Prior to drop off call William Zacharias @ 780-841-2617, or David Bergen @ 780-285-5219 to discuss donation
- Tax receipts will not be issued on purchased auction items
- If you are donating a new auction item that has an original receipt, LCMNA can issue a tax receipt. For more info contact George Fehr @ 780-841-5745

Thank you to La Crete Auction Mart for donating the auctioneering services!

Items pictured above have already been donated for sale!

### Donation PledgeForm

The Heimstaed Lodge is at capacity with a growing waitlist of over 50 seniors. The latest county census data indicates we have more than 1050 seniors over the age of 65 and is trending to be over 1400 by 2030. The need for expansion is urgent!

**Project Scope:** LCMNA is proposing to build a two storey 81-bed expansion connected to the north side of the existing Heimstaed Lodge. The suites are designed to accommodate the highest care needs. The expansion also includes an administration area, ambulance bay, multi-purpose/chapel room and general activity space.

The estimated project cost is \$30M. The goal is to obtain government support and ongoing operational funding by spring of 2026. The community goal is to raise \$5M. As of July, the community has already raised \$2.7M in pledges & donations!

We invite you to support this important project and pledge your donation. All the information will be kept confidential.
