1:1 EXECUTIVE COACH • LEADERSHIP MASTERY • SPEAKER

**Steve empowers executives and teams to achieve personal and organizational goals more efficiently. Confidence isn't a prerequisite—it's the result.**

For leaders navigating high-stakes challenges and inspiring others along the way, a trusted guide is essential. With over 30 years of leadership experience, including as director at Adobe, Steve understands the pressures of business and the balance between career and what matters most.

Leveraging proven strategies and real-world insights, Steve helps leaders unlock their potential, foster excellence in their teams, and solve higher-quality problems. With his guidance, you'll operate with greater capacity, achieve meaningful results, and lead with purpose—both at work and at home.

## PRAISE FOR STEVE

"Steve stands as a unique blend of tenacity and kindness, a rare quality essential for success in any endeavor. His integrity, both professionally and personally, reflects a commitment to tackling seemingly unsolvable problems and building genuine connections, leaving a lasting impact on those he encounters."

**Kelly McDonald, VP of IT at Brigham Young University (retired)**
