safety, education and high
standards in the design,
construction, restoration
and operation of all types
of recreational aircraft,
as well as, nurture
camaraderie and
friendship amongst all
members!**

President's Corner

The officers and Board of Directors welcome you to the 2009 season of EAA Chapter 1414. In addition to our resolutions to fly as much as possible, we resolve to make this a great year for our members. Your resolution should be to come and enjoy all we have to offer!

We hope to see you often.

*Thanks for your past support,
Lee*

December Meeting

For the second year in a row, severe weather resulted in the cancellation of the Chapter 1414 Annual Christmas Potluck and Party. Blowing snow and very low temperatures made traveling conditions very dangerous. Since many members come from some distance, it was decided that as many as possible should be contacted and told to stay home.

The January 13 meeting is still on as scheduled at 6:30 PM. We will try again to have our party, so bring a dish to pass and invite your friends and family. It might be wise to watch the weather forecasts, though!

Members, friends and families at a past party

Treasurer Bernie McLean would like to remind you to pay your dues for 2009. The first 50 members who pay will receive a free 2009 EAA Calendar. Bernie says there are 30 left!

Cover Story

From our "Places We Fly" File: "I snapped this on June 19, 2004 from Duane Bolin's Stearman. The event, "Flights of Imagination" took place over the remains of Glenview Naval Air Station. Three Stearmans and one Meyers participated. Duane Bolin, Jim Diss, Terry Bolger, Dave Callison, Captain Downey and myself were the aviators. This happens to be my favorite shot." **Harold Chinick**

Tribute

Marilyn Moses, wife of chapter member Bill, passed away on January 2, 2009. Marilyn and Bill moved to the Belair community two years ago. They became active in every aspect of airport life, including Chapter 1414. She had many friends among our members, and we will miss her.
