Pancake Breakfast July 11, 2010

Right: Chapter 1414 president, Lee Hilbert, took ten Young Eagles for free airplane rides during the July pancake breakfast. Young Eagles is the EAA program that introduces children to flying.

Above: Friends and neighbors gathered in Frank Herdzina's hangar on Sunday, July 11, to enjoy breakfast. The beautiful weather encouraged people to fly and drive making the July event a great success. The next breakfast will be held on August 8 from 7 AM until noon.

Chapter 1414 will host pancake breakfasts on the second Sunday of each month from May until October. There will be Young Eagles flights offered at these events. Volunteers will be appreciated. Proceeds will go to the building fund. Talk to an officer for information or to volunteer.

Join us on Sunday, August 8!

A young Eagles Rally took place at the Vintage Wings and Wheels Museum as part of their Vintage Wheels of Agriculture event. Calling all Young Eagle Pilots!

Greetings,

Please join the Boy Scouts of America in celebrating their 100th birthday!

This year marks a century anniversary of the best youth organization in America. In celebration, the Blackhawk Area Council of the BSA is conducting an Aviation Centered Camporee at the Chicago Rockford International Airport (RFD) in Rockford IL. This event is anticipating attendance of 5000-7000 participants, both youth and adults.

Helping to make this event more memorable; in conjunction Rockford EAA Chapter 22 is hosting a Young Eagles Rally on September 25th, 2010. What an amazing way to introduce hundreds of young boys to aviation. Our goal is to provide a Young Eagles Flight Experience to over 1000 Boy Scouts. I did say more than 1000, so we are in need of 50 to 60 pilots!

We have the endorsement of RFD, and the tower crew is on board to create easy access. This is where you come in; we are desperately looking for as much support as possible. I am personally asking for your support as a pilot if possible, and in helping me find additional pilots. Time will fly by and I need to get commitments in order to plan the event, so please respond to my request by phone or email as soon as you can.

Again your support is greatly needed and appreciated, please help make this an exciting and memorable event, celebrate 100 years of Scouting and the EAA Young Eagle program!

Thank You,
Steven Pierson

Invitation:

Hello,

I am the Vice President of EAA Chapter 932 at Galt Airport (10C) and although this is not an EAA Chapter event, I think your members and other pilots you know might be interested in the Galt Airport Flour Drop that will be held on August 21st from 10 AM to 5 PM. This is the third year we have held the flour drop and it promises to be a fun and exciting event. The competition is open to any pilot/bombardier team with an airplane from which they can safely drop a flour bomb. Spectators are also welcome of course and we also have a RC model flour drop competition open to anyone who flies RC planes!

Hope to see you there!
