## **Message to Our Readers**

After a six year run of publishing a monthly newsletter, additional responsibilities and new personal health issues make it impossible for me to continue to do so. Unless there is someone new who wishes to take up the responsibility, I am afraid that the Leading Edge in its longer monthly version will need to be on hiatus. Volunteers may contact us at [eaal41@gmail.com](mailto:eaal41@gmail.com).

I will continue to keep everyone informed through email of events before they happen. Photos of events will be posted on the website at [eaal414.org](http://eaal414.org).

There are a few members who do not have computers. If you know someone like this, I hope that you will join me in trying to keep them informed of events in a timely fashion.

This fall the chapter directors intend to re-evaluate the role and format of the newsletter.
