September News

Eric Basile, corporate pilot and feature aviation speaker from Roscoe, Illinois, was guest speaker during the September 8 meeting of EAA Chapter 1414.

Dennis Fitch

Dennis Fitch will address the chapter on October 13. Listen to Captain Fitch's moment-by-moment account of the perilous landing of the disabled July 19, 1989 United Flight 232 using only the power of the engines.

What he and the cockpit crew did and how they did it is without precedent. Their combined abilities and teamwork saved nearly 200 lives.

Larry Martin has been scheduled to speak at the November meeting. Larry is Squadron Leader for the Poplar Grove Civil Air Patrol. The membership is encouraged to bring in their sons, daughters, nephews, nieces, or other young people who might be interested.

The Flight School on Poplar Grove Field will be offering Private Pilot Ground school. School starts October 12 and will be on Monday and Wednesday nights 6-8PM. Ashley Leman and Rob Fry instructing. Class costs \$270 plus tax and includes the Jeppesen Private book.

This is a great way to get current on recent changes in the regs and re-familiarize yourself with the various airspace designations. Ashley and Rob do a great job of presenting the material, well worth the time commitment. The class is designed for both the new pilot and one just wanting a refresher or even a significant other that just wants a better understanding of what's going on in the left seat.

Call the Airport at 815 544 3471 to register or stop by the Flight Office.
