

Beaute' Medical Aesthetics for Women Over 40 Memberships

BALM Method

ABOUT THE AUTHOR

Hello!

Meet Kalato Holts.

She is a distinguished double board- certified nurse practitioner whose illustrious career spans nearly three decades, from 1996 to 2024. With a doctorate in nursing, Kalato's expertise encompasses both the medical and aesthetic fields, making her a soughtafter authority in her profession.

Kalato Holt

DNP, APRN

Kalato's academic journey is as impressive as her career, having studied at Jacksonville University, Georgetown University, St. Joseph College of Maine, and Delgado Charity School of Nursing. Her dedication to continuous learning and professional development has been a cornerstone of her success.

Beyond her professional accomplishments, Kalato is a devoted mother and wife, balancing her demanding career with a fulfilling family life. She finds exhilaration in skydiving, embracing the thrill and freedom it offers. Her favorite colors, pink and purple, perfectly capture her vibrant and dynamic personality, which she brings to every aspect of her life.

Kalato Holts is not only a leader in her field but also an inspiring example of how dedication, passion, and a zest for life can lead to extraordinary achievements.

MEMBERSHIP
INCLUDES

Platinum Membership

Premium Aesthetic & Wellness Solutions

The Platinum Membership offers a unique opportunity to access top-tier services and products every month for just \$399. Tailor your membership with a variety of customizable treatments or choose three premium products to elevate your beauty and wellness routine. Enjoy the flexibility to select options that match your goals and lifestyle.

Monthly Treatment Options (Choose One Each Month):

1. Medical Weight Loss Program:

- Receive high-dose weight loss medications paired with comprehensive lab work to monitor and optimize your progress.

2. Lip Enhancement:

- Plump and volumize your lips with Versa Lips Filler for a fuller, more defined appearance.

3. Fat Reduction or Cellulite Treatment:

- Select Liquid Lipo for targeted fat reduction in one area, or opt for Abdomen & Flanks Cellulite Treatment using advanced Tripolar technology.

4. Advanced Skin Treatments:

- Choose from Medium Area IPL, Laser Tattoo Removal, Laser Hair Removal, or Abdomen Skin Resurfacing to rejuvenate, refine, and restore your skin's natural glow.

5. Skin Rejuvenation:

- Stimulate deep collagen production and improve skin texture with RF Microneedling paired with PRX or RF Microneedling combined with ViPeel.

6. Wellness Treatment:

- Restore balance and vitality with Bioidentical Pellet Hormone Replacement Therapy, designed to optimize hormone levels and enhance overall well-being.

Product Choices:

As a Platinum Member, you can choose to receive three premium products each month instead of a service:

- **1 Medical-Grade Skin Product:** Address specific skin concerns with advanced formulations.
- **1 Medical-Grade Hair Product:** Promote hair health and growth with our professional-grade products.
- **1 Natural Skin Care Product & 1 Natural Hair Product:** Enjoy our natural skincare and haircare collections, crafted with high-quality, naturally sourced ingredients.

Why Choose the Platinum Membership?

- **Exceptional Value:** Save significantly on premium services and products.
- **Personalized Options:** Tailor your monthly choices to meet your evolving aesthetic and wellness goals.
- **Exclusive Member Benefits:** Enjoy priority booking, special discounts, and the freedom to choose services or products that best suit your needs.

Elevate your aesthetic and wellness experience with the Platinum Membership—designed to provide luxurious care and transformative results every month.

Diamond Membership

The Ultimate Aesthetic & Wellness Plan

Our Diamond Membership is designed for those seeking top-tier aesthetic and wellness treatments with maximum flexibility and value. Enjoy access to an extensive range of premium services each month, allowing you to look and feel your best year-round. Choose one treatment from the categories below every month, or opt for a curated selection of premium products tailored to your beauty needs.

Monthly Treatment Options (Choose One Each Month):

1. Vaginal Rejuvenation & Sexual Health:

- Enhance intimate wellness with your choice of the O-Shot or Laser Vaginal Rejuvenation.

2. Fat Reduction & Cellulite Treatment:

- Target stubborn fat or smooth out cellulite with Liquid Lipo (2 areas) or Cellulite Treatment (2 areas).

3. Skin Treatments:

- Refresh and renew your skin with Large Area Laser Hair Removal, Laser Tattoo Removal, or Skin Resurfacing.

4. Dermal Fillers:

- Add volume and smoothness to your face with Restylane or Radiesse for a youthful, contoured look.

5. Facial Rejuvenation:

- Choose from Facial IPL (3 sessions), SmoothGlo, or CO2 Facial to restore radiance and achieve glowing, youthful skin.
- Body Service Option Available.

6. Wellness & Hair Restoration:

Restore vitality with PRP Hair Restoration or boost energy and health with an Iron Infusion.

7. Body Sculpting:

- Achieve your dream body with 4 weekly sessions of Emsculpt (30 min each) or 4 weekly sessions of Emsculpt Neo (15 min each) for effective fat reduction and muscle toning.

8. Advanced Skin Treatment:

- Experience deep rejuvenation with your choice of SmoothGlo, CO2 Facial, or Hand Rejuvenation Treatment.

9. Botox/Xeomin:

- Receive 60 units of Botox or Xeomin to smooth away fine lines and wrinkles for a refreshed appearance.

Product Selection (If No Treatment is Chosen):

Opt for a curated collection of 4 premium products each month instead of a service:

- Option 1: 3 Medical-Grade Skin Products + 1 Medical-Grade Hair Product.
- Option 2: 3 Medical-Grade Hair Products + 1 Medical-Grade Skin Product.

Why Choose the Diamond Membership?

- Comprehensive Care: Access a diverse range of advanced treatments to meet all your aesthetic and wellness needs.
- Exceptional Value: Save significantly compared to paying for individual services while enjoying premium results.
- Flexible Choices: Tailor your monthly selection to match your specific goals—choose treatments or products based on your evolving needs.
- Exclusive Discounts & Priority Access: Receive priority scheduling and special discounts on additional services.

VIP MEMBERSHIP

Introducing the \$699 Platinum PLUS Membership

Your All-Inclusive Beauty & Wellness Experience

Unlock the ultimate in beauty and wellness with our exclusive Platinum PLUS Membership—the premier package designed to offer you flexibility, value, and stunning results. For just \$699 per month, you can choose two premium services each month from our extensive selection of advanced aesthetic and medical treatments. Plus, enjoy access to exclusive add-ons and bundled options that allow you to tailor your experience for comprehensive results.

Choose 2 Premium Services Every Month:

- **Body Sculpting & Contouring:**

- 4 Emsculpt Sessions or 4 Emsculpt Neo Sessions: Build muscle and burn fat simultaneously, achieving a toned and sculpted look.
- 3 Areas of Liquid Lipo: Non-surgical fat reduction that contours and smooths specific areas for enhanced body definition.
- Hip Dip Correction (up to 200mL): Fills and contours hip dips, creating a balanced and fuller silhouette (requires a \$199 upcharge to bundle with your monthly service).

- **Skin & Facial Rejuvenation:**

- RF Microneedling for Face & Neck: Rejuvenates skin texture, tightens pores, and stimulates collagen production for a glowing complexion.
- Laser Tattoo Removal (Large Area): Effectively remove unwanted tattoos with minimal discomfort and downtime.

- Laser Hair Removal (Large Area): Achieve smooth, hair-free skin with long-lasting results.
- Scar Resurfacing (Large Area): Diminish scars and improve skin texture with targeted resurfacing treatments.
- Laser Hand Rejuvenation: Rejuvenate aging hands with laser technology that restores a youthful appearance.
- **Medical-Grade Solutions:**
 - Choose a Medical-Grade Cream or Medical-Grade Hair Product to support skin or hair health.
 - Medical Weight Loss Program: Get professional support and guidance to achieve your weight loss goals.
 - Iron Infusion: Boost energy and overall health (requires a \$199 upcharge to bundle with your monthly service).
- **Facial Volume & Enhancement:**
 - One Syringe of Radiesse: Adds volume, structure, and definition to the face or hands for a youthful appearance (requires a \$199 upcharge to bundle with your monthly service).
 - One Syringe of Hyaluronic Acid Filler: Enhances and plumps areas like the lips, cheeks, or nasolabial folds for a softer, more youthful look (requires a \$199 upcharge to bundle with your monthly service).
- **Premier Aesthetic Services:**
 - O-Shot: Enhance intimate wellness and improve sexual satisfaction.
 - oVaginal Rejuvenation: Revitalize and tighten vaginal tissue for improved function and comfort.
 - 4 PDO Threads: Lift and tighten areas of the face, neck, or body with dissolvable threads.
 - Botox (40 units): Smooth fine lines and wrinkles on the forehead, crow's feet, or glabella for a refreshed, youthful appearance.

Exclusive Premier Add-On Services (\$199 each):

Bundle any of the following premier services with your monthly selection for just \$199 each:

- O-Shot for intimate health and rejuvenation.
- Vaginal Rejuvenation for increased comfort and confidence.
- Botox (40 units) for comprehensive wrinkle reduction.
- Iron Infusion, Radiesse Syringe, Hyaluronic Acid Syringe, and Hip Dip Correction (up to 200mL) for comprehensive volume restoration, contouring, and energy enhancement.

Flexible Financial Options:

We've partnered with Afterpay, PatientFi, and Cherry to provide convenient financing options that allow you to receive treatments now and pay over time. FSA and HSA payments are also accepted, making it easier to invest in your health and beauty.

Why Choose the Platinum PLUS Membership?

- Incredible Value: Save thousands annually with access to premium services that would typically cost much more individually.
- Complete Customization: Tailor your membership each month based on your needs and aesthetic goals.
- Priority Scheduling & Exclusive Discounts: Enjoy priority booking and exclusive discounts on additional services not included in your monthly membership.

For \$699 per month, you'll have access to the best in beauty and wellness with flexibility to select services that cater to your individual goals. Take advantage of exclusive add-ons like Radiesse, Hyaluronic Acid, or Hip Dip Correction for just \$199 each and get the treatments you need at a fraction of the regular price!

Call or visit us today to enroll in the Platinum PLUS Membership and experience luxury, savings, and results like never before!

\$699/Month

Glossary of Membership Treatments

1. PRP Hair Restoration

PRP Hair Restoration is a non-surgical procedure that uses your body's platelet-rich plasma (PRP) to improve scalp health and stimulate hair follicles for healthy growth.

Key Benefits & Indications:

- Promotes Hair Growth: Ideal for those experiencing thinning or patchy hair.
- Reduces Hair Shedding: Helps minimize hair loss due to genetics or hormonal changes.
- Improves Scalp Health: Enhances blood flow to nourish the scalp.
- Suitable for All Hair Types: Works for both men and women with hair loss.
- Quick & Safe: Minimal downtime and low risk of adverse reactions.

2. Bioidentical Hormone Pellet Therapy

This therapy restores hormonal balance by using pellets implanted under the skin, releasing hormones steadily over several months.

Key Benefits & Indications:

- Restores Energy & Mood: Helps alleviate symptoms of hormonal imbalances, including fatigue, mood swings, and anxiety.
- Boosts Libido & Sexual Health: Addresses decreased libido and vaginal dryness.
- Improves Bone & Muscle Health: Enhances muscle mass and strength.
- Regulates Sleep: Helps with insomnia and improves cognitive function.
- Long-Lasting Relief: Pellets provide consistent hormone levels for 3-6 months.

3. Facial Rejuvenation

Facial Rejuvenation combines multiple non-surgical treatments to improve the appearance and health of the skin.

Key Benefits & Indications:

- Reduces Fine Lines & Wrinkles: Ideal for those with signs of aging.
- Improves Skin Texture & Tone: Corrects rough patches, pigmentation, and dullness.
- Boosts Collagen Production: Restores elasticity and firmness.
- Minimizes Scars & Pores: Addresses acne scars and enlarged pores.
- Hydrates & Refreshes: Includes Hydrafacial MD for deep hydration.
- Vampire Facial Option: Uses PRP for additional rejuvenation benefits.

4. Cellulite Treatment

This treatment targets cellulite to smooth and firm the skin on common problem areas such as thighs, abdomen, and buttocks.

Key Benefits & Indications:

- Reduces Cellulite Appearance: Breaks down fat deposits and tightens skin.
- Improves Skin Texture: Smooths uneven skin and reduces dimpling.
- Boosts Circulation: Enhances lymphatic drainage.
- Increases Collagen Production: Improves elasticity for firmer skin.
- Non-Invasive Options: Includes Emsculpt and RF Microneedling for visible results.

5. Skin Resurfacing

Skin Resurfacing treatments restore and rejuvenate the skin's surface, addressing multiple skin concerns.

Key Benefits & Indications:

- Reduces Wrinkles & Fine Lines: Ideal for crow's feet and laugh lines.
- Improves Texture & Tone: Corrects uneven pigmentation and sun damage.
- Minimizes Scars & Hyperpigmentation: Reduces acne scars and dark spots.
- Tightens Loose Skin: Stimulates collagen for firmer skin.
- Treats Acne & Blemishes: Promotes healthy cell turnover.
- Non-Invasive Options: Includes RF Microneedling and Laser Resurfacing.

6. Hand Rejuvenation

Hand Rejuvenation restores lost volume, smooths wrinkles, and reduces the visibility of veins and age spots.

Key Benefits & Indications:

- Restores Volume: Smooths veins and reduces the appearance of wrinkles.
- Minimizes Age Spots: Improves skin tone and texture.
- Boosts Collagen: Enhances elasticity for younger-looking hands.
- Non-Invasive Treatment: Quick sessions with minimal downtime.

7. Liquid BBL

Liquid BBL uses dermal fillers to enhance the shape, volume, and contour of the buttocks.

Key Benefits & Indications:

- Enhances Curves: Adds volume and smooths hip dips.
- Contours Buttocks: Improves shape with a natural look.
- Non-Surgical Option: Minimal downtime and no incisions.
- Customizable Results: Tailored to individual aesthetic goals.

8. Laser Tattoo Removal

This treatment uses advanced laser technology to gradually fade and remove unwanted tattoos.

Key Benefits & Indications:

- **Safe & Precise:** Targets ink without damaging surrounding skin.
- **Effective on All Colors:** Treats both dark and bright pigments.
- **Minimal Scarring Risk:** Non-invasive treatment with low risk of scarring.
- **Customizable Treatments:** Adjusted for tattoo size, color, and location.

9. Laser Hair Removal

Laser Hair Removal offers long-term hair reduction, making skin smoother and hair-free with minimal effort.

Key Benefits & Indications:

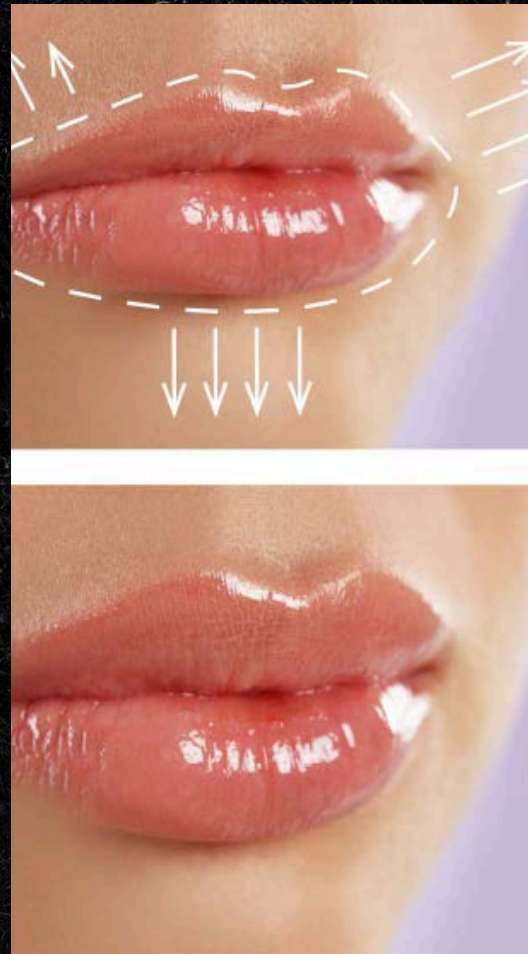

- **Reduces Hair Permanently:** Effective on all skin tones and hair types.
- **Prevents Ingrown Hairs:** Reduces irritation from traditional hair removal methods.
- **Treats Large & Small Areas:** Quick sessions for legs, arms, and facial hair.
- **Safe & Efficient:** Minimal discomfort and downtime.

10. Collagen Boosters & Anti-Aging Treatments

Collagen-boosting treatments restore volume, smooth wrinkles, and improve skin health for long-term anti-aging benefits.

Key Benefits & Indications:

- Radiesse: Stimulates collagen and fills deep wrinkles or folds.
- Bellafill: Provides long-lasting support for scars and facial volume loss.
- PRP Therapy: Regenerates tissue, improving skin texture and elasticity.
- Hyaluronic Acid Lip Filler (Versa): Plumps and hydrates lips for a youthful appearance.
- Botox: Smooths expression lines and prevents new wrinkles.
- PDO Threads: Lifts and tightens sagging skin for a youthful contour.

11. Medical Weight Loss with Semaglutide or Tirzepatide

Medical Weight Loss programs use advanced medications to assist with weight management.

Key Benefits & Indications:

- Effective Weight Loss: Reduces cravings and promotes fat loss.
- Supports Long-Term Maintenance: Helps establish sustainable habits.
- Improves Overall Health: Supports blood sugar control and cardiovascular health.
- Tailored Plans: Customized to individual weight loss goals.

12. O-Shot & Laser Vaginal Rejuvenation

These treatments improve feminine wellness, enhance sexual health, and address vaginal discomfort.

Key Benefits & Indications:

- O-Shot: Increases sensitivity, improves sexual satisfaction, and reduces incontinence.
- Laser Vaginal Rejuvenation: Restores tightness, reduces dryness, and enhances confidence.
- vFit: At-home device to maintain vaginal health and wellness.

13. Hydrafacial Face & Body Treatments

Hydrafacial treatments for the face and body cleanse, exfoliate, and hydrate the skin, leaving it radiant and refreshed.

Key Benefits & Indications:

- Improves Skin Texture & Tone: Corrects dull and uneven skin.
- Deep Hydration: Restores moisture for soft, supple skin.
- Non-Invasive: Suitable for all skin types with no downtime.
- Body Options Available: Treats back, chest, and other body areas.

14. Meyer's Cocktail

The Meyer's Cocktail is an intravenous (IV) therapy that delivers a blend of essential vitamins, minerals, and antioxidants directly into the bloodstream. It's designed to boost energy, strengthen the immune system, and improve overall wellness.

Key Indications & Benefits:

1. **Boosts Energy & Reduces Fatigue:** Helps combat chronic fatigue and restores vitality.
2. **Strengthens the Immune System:** Supports the body's defense mechanisms, especially during illness or stress.
3. **Improves Mood & Mental Clarity:** Reduces brain fog and supports cognitive function.
4. **Alleviates Migraines & Headaches:** Eases symptoms for those suffering from chronic migraines.
5. **Supports Muscle Recovery:** Ideal for athletes or individuals experiencing muscle soreness.
6. **Improves Sleep Patterns:** Restores sleep quality for those with insomnia or poor sleep cycles.
7. **Reduces Symptoms of Chronic Conditions:** Beneficial for those with asthma, fibromyalgia, or seasonal allergies.

✨ Additional Benefits:

- Fast-acting with minimal downtime.
- Hydrates the body and promotes detoxification.
- Pairs well with weight loss programs to maintain energy.

15. Iron Infusion

An Iron Infusion is an intravenous therapy that replenishes iron levels in the body, helping to treat iron deficiency and anemia effectively. The treatment delivers iron directly into the bloodstream for rapid absorption.

Key Indications & Benefits:

1. **Treats Iron Deficiency & Anemia:** Ideal for those with low iron levels due to poor absorption or dietary deficiencies.
2. **Increases Energy Levels:** Reduces fatigue and boosts stamina for individuals with iron deficiency.
3. **Improves Cognitive Function:** Supports concentration, memory, and mental clarity.
4. **Enhances Immune Function:** Strengthens the body's ability to fight infections.
5. **Supports Hair Growth:** Provides nutrients essential for healthy hair and scalp.
6. **Improves Exercise Performance:** Increases endurance by enhancing oxygen transport.
7. **Fast-Acting Results:** Restores iron levels more quickly than oral supplements.

✨ Additional Benefits:

- Minimal downtime and fewer gastrointestinal side effects than oral iron. Recommended for women with heavy menstrual cycles or post-pregnancy anemia.
- Can complement other wellness treatments like Bioidentical Hormone Therapy for overall vitality.

These treatments, offered through our Premier Memberships that target fatigue, mood issues, and nutritional deficiencies, making them ideal for women over 40 seeking to restore energy, improve mental clarity, and enhance overall well-being.

This glossary provides a comprehensive overview of the diverse services offered through Membership, empowering women over 40 to target their specific concerns and achieve their wellness and aesthetic goals. Each service is tailored to address common issues like skin aging, hair thinning, weight gain, and hormonal imbalances, ensuring that every member experiences transformative results.

Glossary of Medical Grade Devices used for Membership Treatments

Emsculpt

Emsculpt uses High-Intensity Focused Electromagnetic (HIFEM) technology to stimulate muscle contractions, building muscle and burning fat.

Key Benefits & Indications:

- Builds Muscle: Ideal for abs, glutes, arms, and legs.
- Burns Fat: Reduces stubborn fat deposits while toning muscles.
- Non-Invasive: No downtime, with visible results after four sessions.

Emsculpt Neo

Emsculpt Neo combines HIFEM and radiofrequency (RF) technology to burn fat and build muscle simultaneously.

Key Benefits & Indications:

- Reduces Fat & Tones Muscle: Up to 30% fat reduction and 25% muscle growth.
- Non-Invasive Body Sculpting: Suitable for abdomen, buttocks, thighs, and arms.
- Quick Results: Recommended four sessions with noticeable improvements.

Kybella

Kybella is an injectable treatment designed to reduce fat beneath the chin (submental fat), creating a slimmer profile.

Key Benefits & Indications:

- Reduces Double Chin: Breaks down fat cells for a more defined jawline.
- Non-Surgical Fat Reduction: No incisions or downtime.
- Long-Lasting Results: Eliminates fat cells permanently.

Epilaze Laser Hair Removal

Splendor X combines Alexandrite and Nd lasers for fast, effective hair removal suitable for all skin types.

Key Benefits & Indications:

- Permanent Hair Reduction: Reduces hair growth with long-term results.
- Treats All Skin Tones: Effective for both light and dark skin types.
- Prevents Ingrown Hairs: Reduces irritation from shaving or waxing.
- Quick & Comfortable: Covers large areas with minimal discomfort.

Laser Tattoo Removal & Skin Treatment (PICO Laser Device)

The PICO laser uses ultra-short pulses to break down tattoo ink and treat skin concerns.

Key Benefits & Indications:

- Removes Tattoos: Effective on stubborn, dark, and vibrant inks.
- Treats Pigmentation Issues: Reduces hyperpigmentation and sun damage.
- Minimally Invasive: Low risk of scarring with quick recovery.
- Multiple Applications: Improves skin tone and texture while removing unwanted tattoos.

Legend PRO

Legend PRO is a multi-layer treatment combining RF energy and dynamic muscle activation (DMA) for skin rejuvenation and contouring.

Key Benefits & Indications:

- Improves Skin Tightness: Tightens sagging areas.
- Reduces Wrinkles: Smooths fine lines and boosts collagen production.
- Contours the Body: Enhances muscle tone and reduces fat pockets.
- Non-Invasive Treatment: No downtime with lasting results.

Morpheus8

Morpheus8 is a fractional RF microneedling treatment that remodels collagen and rejuvenates deeper skin layers.

Key Benefits & Indications:

- Treats Wrinkles & Sagging Skin: Tightens and lifts the face and body.
- Improves Texture: Reduces acne scars and stretch marks.
- Non-Invasive: Minimal downtime with effective results.
- Versatile: Works on multiple areas, including face, neck, and abdomen.

M22 Stellar IPL

This Intense Pulsed Light (IPL) device targets pigmentation issues, redness, and vascular lesions.

Key Benefits & Indications:

- Improves Skin Tone & Clarity: Reduces sun damage, redness, and pigmentation.
- Treats Vascular Lesions: Effective for rosacea and broken capillaries.
- Minimally Invasive: Little to no downtime.

Pixel 8 RF Microneedling

Pixel 8 RF combines microneedling with RF energy to rejuvenate the skin and address multiple concerns.

Key Benefits & Indications:

- Reduces Fine Lines & Wrinkles: Stimulates collagen for smoother skin.
- Improves Texture & Tone: Reduces hyperpigmentation and large pores.
- Non-Invasive with Quick Recovery: Minimal downtime required.
- Works Well for All Skin Types: Safe for darker skin tones prone to pigmentation issues.

Phoenix CO2 Laser (Facial & Vaginal Rejuvenation)

The Phoenix CO2 laser resurfaces skin and enhances collagen production, offering both facial and vaginal rejuvenation.

Key Benefits & Indications:

- Reduces Fine Lines & Wrinkles: Improves skin texture and tightness.
- Treats Vaginal Laxity & Dryness: Enhances vaginal health by promoting collagen.
- Minimizes Scars & Pigmentation: Great for facial scars and dark spots.
- Quick Recovery: Minimal downtime with long-lasting effects.

PCDC (Phosphatidylcholine & Deoxycholate) for Stubborn Fat

PCDC injections target and dissolve localized fat deposits in areas like the chin, abdomen, and thighs.

Key Benefits & Indications:

- Reduces Fat in Targeted Areas: Ideal for chin, arms, and belly fat.
- Non-Surgical Alternative to Liposuction: Minimal downtime and no incisions.
- Long-Lasting Results: Fat cells are permanently broken down and eliminated.

YAG Laser – M22 Stellar

The YAG laser targets deeper layers of skin for vascular treatments, hyperpigmentation, and tattoo removal.

Key Benefits & Indications:

- Treats Vascular Lesions: Effective for spider veins and broken capillaries.
- Improves Skin Tone: Reduces sun damage and pigmentation issues.
- Safe for All Skin Types: Works well on darker skin tones.

Q-Switch Laser – M22 Stellar IPL

This laser targets pigmentation and tattoos using short pulses of energy to break down pigment particles.

Key Benefits & Indications:

- Removes Unwanted Tattoos: Effective on stubborn tattoo pigments.
- Treats Melasma & Pigmentation Issues: Reduces dark spots and discoloration.
- Minimal Downtime: Quick recovery with noticeable results.

M22 Stellar Resurf

M22 Stellar Resurface is a fractional laser treatment that rejuvenates the skin by removing damaged layers.

Key Benefits & Indications:

- Reduces Wrinkles & Fine Lines: Smooths the skin's surface.
- Improves Texture & Tone: Treats pigmentation issues and scars.
- Stimulates Collagen Production: Promotes skin elasticity and firmness.
- Minimal Downtime: Quick recovery with noticeable improvements.

These treatments offer non-invasive or minimally invasive solutions to help you achieve your aesthetic and wellness goals. Whether it's body contouring, skin rejuvenation, fat reduction, or tattoo removal, these technologies provide effective, long-lasting results with minimal downtime.

Membership Guidelines

Commitment and Duration:

- Minimum 3-month commitment required for all memberships.
- Memberships are monthly with service rollover if unused, but benefits expire after 12 months.
- Membership changes are allowed every 30 days and must be performed online by the 28th of the previous month.

Phone/Text: 470-436-8826

These membership guidelines ensure that all members have a flexible, seamless experience with access to premium services. With online scheduling, rollover benefits, and exclusive perks like free Botox in your birth month, Beaute' Medical Aesthetics offers exceptional value to meet your aesthetic and wellness goals.

STAY CONNECTED

At Beauté, we believe that learning is a continuous process, and we are dedicated to helping you succeed. Whether you have a quick question or need in-depth support, help is here for you.

If you want to share your experiences, we encourage you to stay connected with us.

Keep an eye out for our newsletters, webinars, and workshops designed to keep you informed and inspired. We are committed to providing you with the resources you need to thrive in your practice. Don't hesitate to reach out we're always just a message away.

Once again welcome to the Beauté family. We look forward to seeing you grow and succeed in your Botox training and beyond.
