### 2) How To Use Google Classroom

Google Classroom is the perfect tool for "distance learning" and for in the actual classroom too! Google Classroom aims to simplify creating, distributing classwork online and in a paperless way. The primary purpose of Google Classroom is to streamline the process of sharing files between teachers and students.

Helpful Video Tutorial: (keep in mind we don't use the assignment function) Google Classroom Tour: https://youtu.be/EGIJQsjDmSE

#### Step 1 (for first-time use): After logging in, click join a class.

#### Step 2: Enter the class code (that your teacher provides)

Step 3: Going to your class / Classroom homepage (this is where all the classes that you joined will show up)

www.safehandsfs.org.au admin@safehandsfs.org.au

Step 4: Your class feed/stream page. This is what you will see when you click on a class. Zoom links, announcements and/or any other materials that your teacher may post will show up here. You can comment or ask questions here too...

| Stream Closswork People   |  |
|---|--|
| Click Stream to<br>go back to the<br>homepage. Click Classwork to view your<br>any upcoming assignments a | past/present/ and<br>ind graded work.  |
| red. Here you can find upcoming due dates, assignments, and a share something with your class.            | innouncements posted by me!  |
