Playground: Additions

"The Park is Done!" -Your Children

Swings, new climbing places and much more! These updates are to ensure your children have a wide variety of activities and toys to play with. We have very strict rules to ensure your children are safe. We have posted these rules in very easy to see places and remind them of these rules often. We love to see them smiling and having a great time. (Pictures Below)

3

Emmitt is 2 now!

Emmitt is an amazing big brother and such a dare devil!

Kaladin is 1 now!

Kal is so darn cute and such a charmer. His smile will capture your heart.

Navy is 1 now!

She has the best smile and sweetest eyes! Happy B-Day!

Adilyn is 2 now!

She is quite the sweet heart and a great little dancer- if you catch her listening to Baby Shark!

Please let us know if there is a specific picture or message you would like placed here to highlight your child's birthday:

Pre-School is Here Again!

We are ecstatic to have your kids join us for our Pre-School classes! Beginning September 17th, we will have your kids in our challenging program, with highly adept teachers. In Our Spanish Class, your children will learn basics of the language. It will be an

immersive program for a certain period of time each day. This program is a treasure trove of cultural knowledge and has plenty of opportunities for your child to be advanced in their world language skills. We do not promise your child will be fluent after this year; however you can also learn and help your child by practicing the words, and phrases they learn with the help of our “Weekly Lesson Updates” you will receive weekly.

You will be an important step in your child's retention of words and the overall language.

We will be seeing you soon with all the smiles and supplies your child will need! Supply lists will be provided based on which class your child is in. Let us know if you or your child has any questions about this year in Learn & Grow Play House Pre-School!

-Sincerely,

The Staff of Learn & Grow Play House

PUPPY PARTY...

What a way to end the summer! I know technically summer was already over, but September marks Learn & Grow Play House starting Pre-School so we wanted to do something truly fun for the kids before the hard work begins.

We have 11 week old LabraDoodles and GoldenDoodle Puppies come to play and love your children. Puppies can be scientifically proven to make you happy (I'm sure of it!). The kids will have a blast and get, so many many kisses from these adorable fluff balls! Thank you to those of you parents who are able to join us.

You will be sent an invitation and waiver for the kids to pet and play with them. Specific times and dates to be announced.
