PATIENT ACKNOWLEDGEMENT AND CONSENT FORM

On behalf of myself or my minor child or other patient named below, I acknowledge and consent to the statements made in this form. Changes or alterations to this form are not binding.

Consent to Heath Care Services at and by New Smyrna Wellness Center (NSWC): I am requesting that health care services be provided to me (or my minor child or the patient named below) at NSWC. I voluntarily consent to all medical treatment and health care-related services that the caregivers at NSWC consider to be necessary for me (or the patient named below). These services may include diagnostic, therapeutic, imaging and laboratory services, including HIV testing. I am aware that the practice of medicine and surgery is not an exact science; no guarantees have been made to me about the results of treatments or examinations.

Financial Responsibility: Subject to applicable law and the terms and conditions of any applicable contract between NSWC and a third-party payer, and in consideration of all health care services rendered or about to be rendered to me (or the below named patient), I agree to be financially responsible and obligated to pay NSWC for any balance not paid under the "Assignment of Benefits/Third Party Payers" paragraph below. Or, b. Subject to applicable law, and in consideration of all health care services rendered or about to be rendered to me (or the below named patient), I agree to be financially responsible and obligated to pay NSWC for the patient balances due.

Assignment of Benefits/Third-Party Payers: In consideration of all health care services rendered or about to be rendered to me (or the below named patient), I hereby assign to NSWC all rights, title, and interest in and to any third-party benefits due from any and all insurance policies and/or responsible third-party payers of an amount not exceeding NSWC's regular and customary charges for the health care services rendered. I authorize customary charges is available upon request. I consent to any request for review or appeal by NSWC to challenge a determination of benefits made by a third-party payer. Except as required by law, I assume responsibility for determining in advance whether the services provided are covered by insurance or other third-party payer.

Office visits, physical exams, and procedures must be billed accordingly, based on patient diagnosis and treatment. Physical exams are only billable through third party payors for when ONLY screening and counseling services are rendered. If a patient seeks treatment for a medical issue, medication refill, imaging review, initiation of a referral, or lab review, this falls under an "office visit". You may be subject to the terms of your Plan if you are seen for an "office visit", in addition to or in place of a Physical/Wellness Visit.

Notice of Privacy Practices: I have read the "Notice of Privacy Practices". All of my questions have been answered and I have the opportunity to have a copy of these Notices in the office or at www.newsmyrnawellness.com.

By signing below, I am indicating that I have reviewed and ack described above:	knowledged and consent to the terms

New Smyrna Wellness Center Policies and Procedures:

Welcome to New Smyrna Wellness Center! At NSWC, we have many highly skilled and trained providers. Every provider is held to the same gold standard of care and follows the same medical guidelines. The medical director also oversees the care of the entire clinic and all the patients. So, whether you see the doctor or a physician assistant, rest assured that you are getting the best care possible. NSWC has taken great care to hire providers with excellent track records in the community, experience, and a positive attitude toward giving great patient care. This means that you will not see the physician on every visit. You will have the opportunity to meet and have a visit with one of our physician assistants. If you need to see the physician, please inform the front office staff. However, the physician is unable to see every patient for every visit. Thank you for your understanding.

Cancellation Policy: New Smyrna Wellness Center requires **24 hours advanced notice** for any cancellations and/or rescheduling of appointments.

- New patients: If you fail to contact us 24 hours prior to your **first** appointment, we will not be able to schedule any future appointments with our office. If you accumulate a total of three (3) rescheduled (24 hours advanced notice) appointments, you may not be rescheduled for future appointments and you may be discharged from the practice
- <u>Established patients</u>: If you fail to contact us 24 hours prior to your appointment, you will be subject to a cancellation fee of \$50 or the amount of your copay per the guidelines of your innetwork contract. If you accumulate a total of three (3) missed and/or canceled/rescheduled appointments, you may not be rescheduled for future appointments and you may be discharged from the practice.

Appointment Times: Please note that your said appointment time is not necessarily the exact time that you will be seen by a physician. Your appointment time is your arrival time so that the medical staff can properly prepare you for your visit. Late patients may need to be rescheduled for another time or date. While we make every effort to serve every patient in a timely manner, emergencies may arise, and some situations are more time consuming than anticipated. We ask for your understanding during extended wait times, and you will be given the same attention during your visit. Please be aware there is more than one provider in the office, therefore you may not be called back in the order of arrival time.

Lab/Biopsy/Imaging: Physicians and clinical providers may order diagnostic and screening imaging, labs, referrals and tests, which they deem medically necessary according to medical guidelines and current medical practices. Prior to your test, please contact the testing facility regarding any potential uncovered medical expenses or fees that may be associated with your test(s).

Patients are recommended to please follow the prescribing provider's plan of care regarding laboratory, biopsy, and imaging review follow-up visits. This is to ensure proper and consistent care in all patients. If you have questions or concerns about a result or have not heard from our office regarding your test(s), you are encouraged to call our office and/or make an appointment, 386-957-1854.

Prescription Refill Requests: If you need medication refills, please call the office and press Ext 314 to speak to our Prescription Refill Specialist at least one week before you need a refill (2 weeks for a mail order refill). Our office has up to 72 business hours to respond to refill requests. Please do not rely on the pharmacy to initiate the refill request. Multiple phone calls and messages to the office will only delay your request. Patients must have up to date labs and a recent office visit for medication refills.

Miscellaneous: Please refrain from wearing any perfumes, colognes, or heavily scented lotions to the office, as these may exacerbate or worsen some of our patient's underlying conditions.

Authorization Fees: Prior Authorizations: Some insurance companies require "prior authorizations" on certain medications. These are typically medications that are not on the insurance company's formulary. If a medication is not covered, a patient can: a.) pay for the prescription without using their insurance. b.) ask their insurance company what alternative is covered. c.) a patient may pursue prior authorization. Alternatively, if a patient would like our office to do the P.A. for them, we send documentation, office notes, labs, imaging, etc. to your insurance company. We also must speak to them on the phone at length. The

process takes 20-40 minutes, or longer per medication. It is very time-consuming for our staff. We are happy to assist you with this. Our fee for this service is \$25.

Urine Drug Screen (UDS) Per the CDC and DEA recommended guidelines, all patients on controlled substances are subject to urine drug screening prior to a prescription being written and while on therapy. We apologize for any inconvenience. Thank you for helping NSWC remain compliant with State and Federal regulations. To help expedite your visits to NSWC, please drink plenty of liquids prior to your arrival to the office and be prepared to give a urine sample at your appointment. If a patient is unable to give a urine sample at their appointment time, they will be rescheduled for a later date when they can give a urine sample.

Patient Portal: With our secure online patient portal, <u>PATIENT FUSION</u>, patients get instant access to their personal health record (PHR), including diagnosis, medication, immunizations, and procedure history. With our EHR patient engagement software, patients are also able to request prescription refills, email their physicians, and access their health information at any time.

Automated Appointment Confirmations: Due to the large volume of daily appointments and other duties, staff are unable to call patients personally for every appointment. Patients have the option to receive their automated appointment reminder via email, text, and/or voice message. Please inform the front office staff using the consent form indicating your reminder preference.

By signing below, I am indicating that I have reviewed and acknowled above:	dged and consent to the terms described
Signature of Patient/Responsible Party:	Date:
