THE RADICAL JESUS

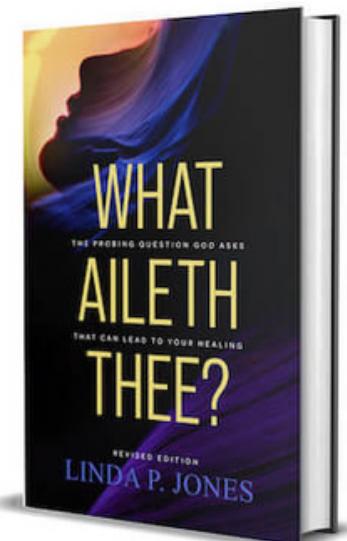

Jesus was unapologetically radical. While He was here on earth, everything He did, said and how He thought, was radical. This generation needs to know that Jesus Christ is the most radical person that ever lived. He was and still is revolutionary; He is militant and even fanatical about His mission and about us – His creation.

This is the Jesus we need to present to a generation who is not afraid or threatened by the radical; this is the Person they want, and this is the Person whom they are searching for – The Radical Jesus.

WHAT AILETH THEE

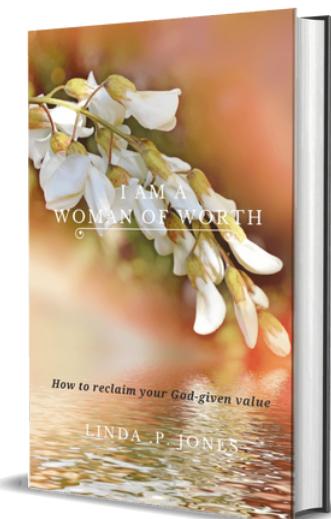

What Aileth Thee, takes you on a journey into the real life drama of a single parent family, Hagar and Ishmael. It takes you through the pain they endured as a result of being rejected and evicted by Abraham and his wife Sarah, and how Jehovah intervened and brought redemption and purpose to their lives. Through their experiences we see how God lovingly invites you to confront your pain – not to hide from it or bury it. FOR THIS CHILD I PRAYED

Exposing the Spirit of Deception identifies the methods of operation of this spirit and how it surreptitiously works its way into the Church and into our private lives as well. Exposing the Spirit of Deception serves as a caution to all believers as Paul warned the Corinthian church in 2 Corinthians 11:3. We are called to be watchful, so that as the serpent deceived Eve in the Garden of Eden by his craftiness, so our minds may not be corrupted from the simplicity that is in Christ.
