

# How to Enroll a LifeWave Brand Partner

## Video Tutorial

This document is very detailed. However, some may prefer a video tutorial. Here is one:  
<https://thisistteam.com/enroll-new-brand-partner>.

## Note

- The words “**enroll**,” “**sponsor**,” and “**signup**” all mean the same thing – to formally register a person as a LifeWave Brand Partner and authorized to sell LifeWave products and enroll others.
- **BP** means Brand Partner.

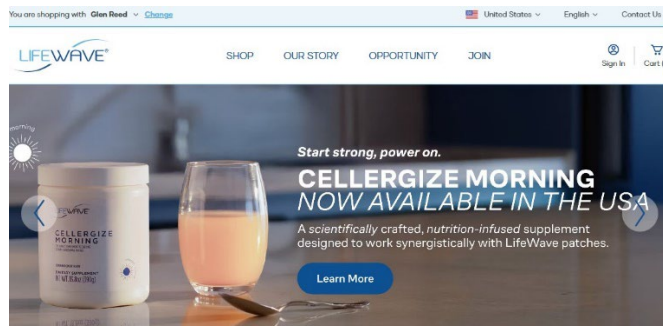

## Pre-Enrollment Process

### About Binary Placement Preference

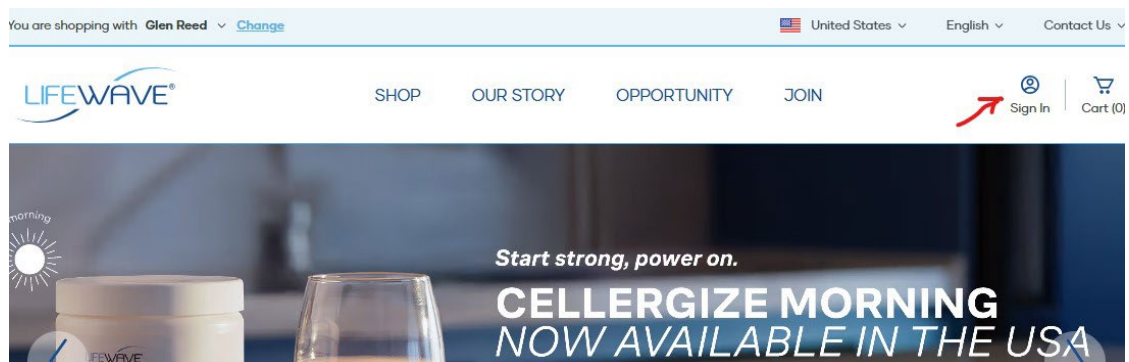

- New Brand Partners are “placed” in a **Binary** structure. It has two options: a “**Left Leg**” and a “**Right Leg**.” You have three choices in the settings: **Build Left**, **Build Right**, **Strong Leg Outside** (the system will assign the new partner to the leg with the most volume. Don’t use this option).
- For maximum growth potential, we recommend you alternate: add your first two BPs to **Left**, then the next two BPs to the **Right**. Then the next two back to Left, and the next two to Right, and so on.
- Before you enroll a new Brand Partner, make sure the **Binary Placement Preference** is set to the side you want (next section).
- **Note:** After two left and two right (four total), you will become a **manager** with increased compensation.
- **Here are two tutorial videos about Enrollee Placement and Binary Tree Placement:**  
<https://thisistteam.com/enrollee-placement>.

## Set the Binary Placement (Left / Right Leg)

1. Go to your BP page. (lifewave.com/your-brand-partner-name)

2. On the home page top menu bar, select **Sign in**.

3. On the **Sign in here** section, enter your **Username** and **Password**, and select **Sign In**. This gets you to your **Back Office**. This is only visible to you, and this is where you control all your settings and views to sales, activity, plans, orders, etc.

4. In your **Back Office**, at the **top (your name)** use the **drop-down menu** and select **CHANGE SETTINGS**.

5. Scroll down to the **Contact Information** section, at the bottom under “**What is your Binary Placement Preference when you begin sponsoring new members?**” select **Build Left**.

A screenshot of the 'Contact Information' section in the Back Office. The section contains several fields: 'Addresses' (1601 W Macarthur Blvd Apt 28K, Santa Ana, CA 92704-8231, US (Primary)), 'Phone Numbers' (Primary: +1, Secondary: +1), 'Text Messages' (Send texts to: +19166710146), 'Faxes' (Send faxes to:), 'Social Media' (Facebook, Twitter, YouTube, Blog), and 'About Me' (About Me:). At the bottom, there is a question: 'What is your Binary Placement Preference when you begin sponsoring new members?'. Below this question are three radio button options: 'Build Left' (which is selected), 'Build Right', and 'Strong Leg Outside'. A red arrow points to the 'Build Left' option. A 'Live Chat' button is visible in the bottom right corner.

6. Once you’ve added the first two new members to **Left**, then change this setting to **Build Right** and add two more. Then change it back to **Build Left**. Continue to do so every time you add two new members.

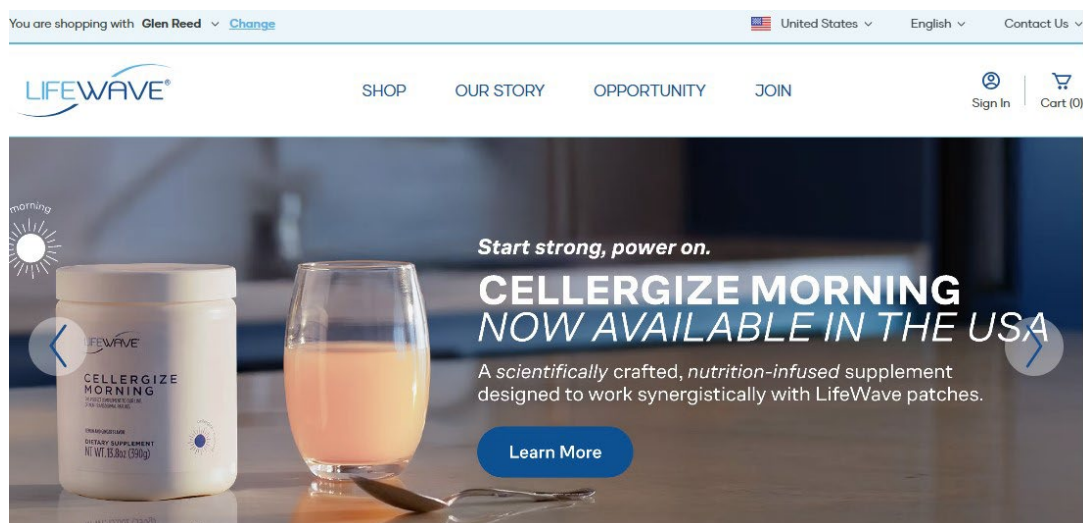

# Enrollment Process

## Enrollment Options

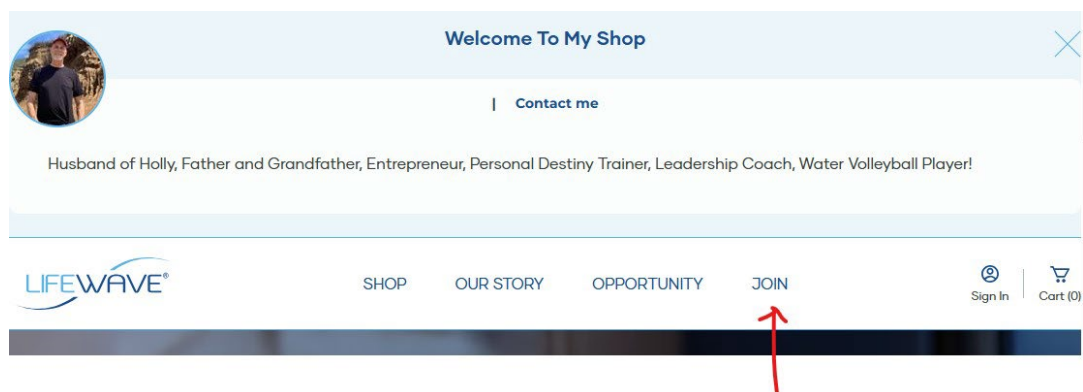

- A. **The BP can sign up a prospective BP on the BP's own site.** (Joe signs up Bill on Joe's public LifeWave site.) This takes more time but it ensures the enrollment gets done. This is what we recommend.
- B. **The BP can sign up a prospective BP in their Back Office.** (Joe signs up Bill in Joe's LifeWave back office.) **Sign in to Back Office**, and go to **ORGANIZATION / Enroll new**. Then follow the next steps below.
- C. **The prospective BP can sign up on the BP's site.** (Joe sends Bill to Joe's site and Bill signs up.) Send the prospective BP a link to the BP's site, and they do the sign up.

## Referrer Selection (Option A)

- 1. Make sure you've set the **Binary Placement Preference** to **Left or Right** (see previous section).
- 2. Go to **your LifeWave public page** (not your back office): <https://Lifewave.com/your-brand-partner-name/>.

- 3. On your **public page**, on the **top menu**, select **JOIN**.

4. On “Welcome to LifeWave – We’re Excited to Have You Here!” Page, make sure it says: “You have selected <Your Name>, ID# <your ID #> as your Enroller.” If not, check the link you’re using and retry.
