

# Blessed Personalities Bring Blessings

Bismillah

Alhamdulillah

When food was shared through the blessed hands of the Prophet (S), Allah placed barakah in it - it did not finish. Blessed personalities bring blessings.

1. Cut out table page.
  2. Cut along dashed lines.
  3. Slide food strip behind the slot.
  4. Tape back ends of the strip so it doesn't fall out.
- Pull to "eat" food.  
\* Food keeps appearing!
