

IMAM HASAN (AS)

There was a special baby that was born on 15th Mahe Ramadhan to daddy Imam Ali and mummy Bibi Fatimah az Zahra.

Grandpa prophet Muhammad was so happy. The angel came and told him the baby's name is Hasan.

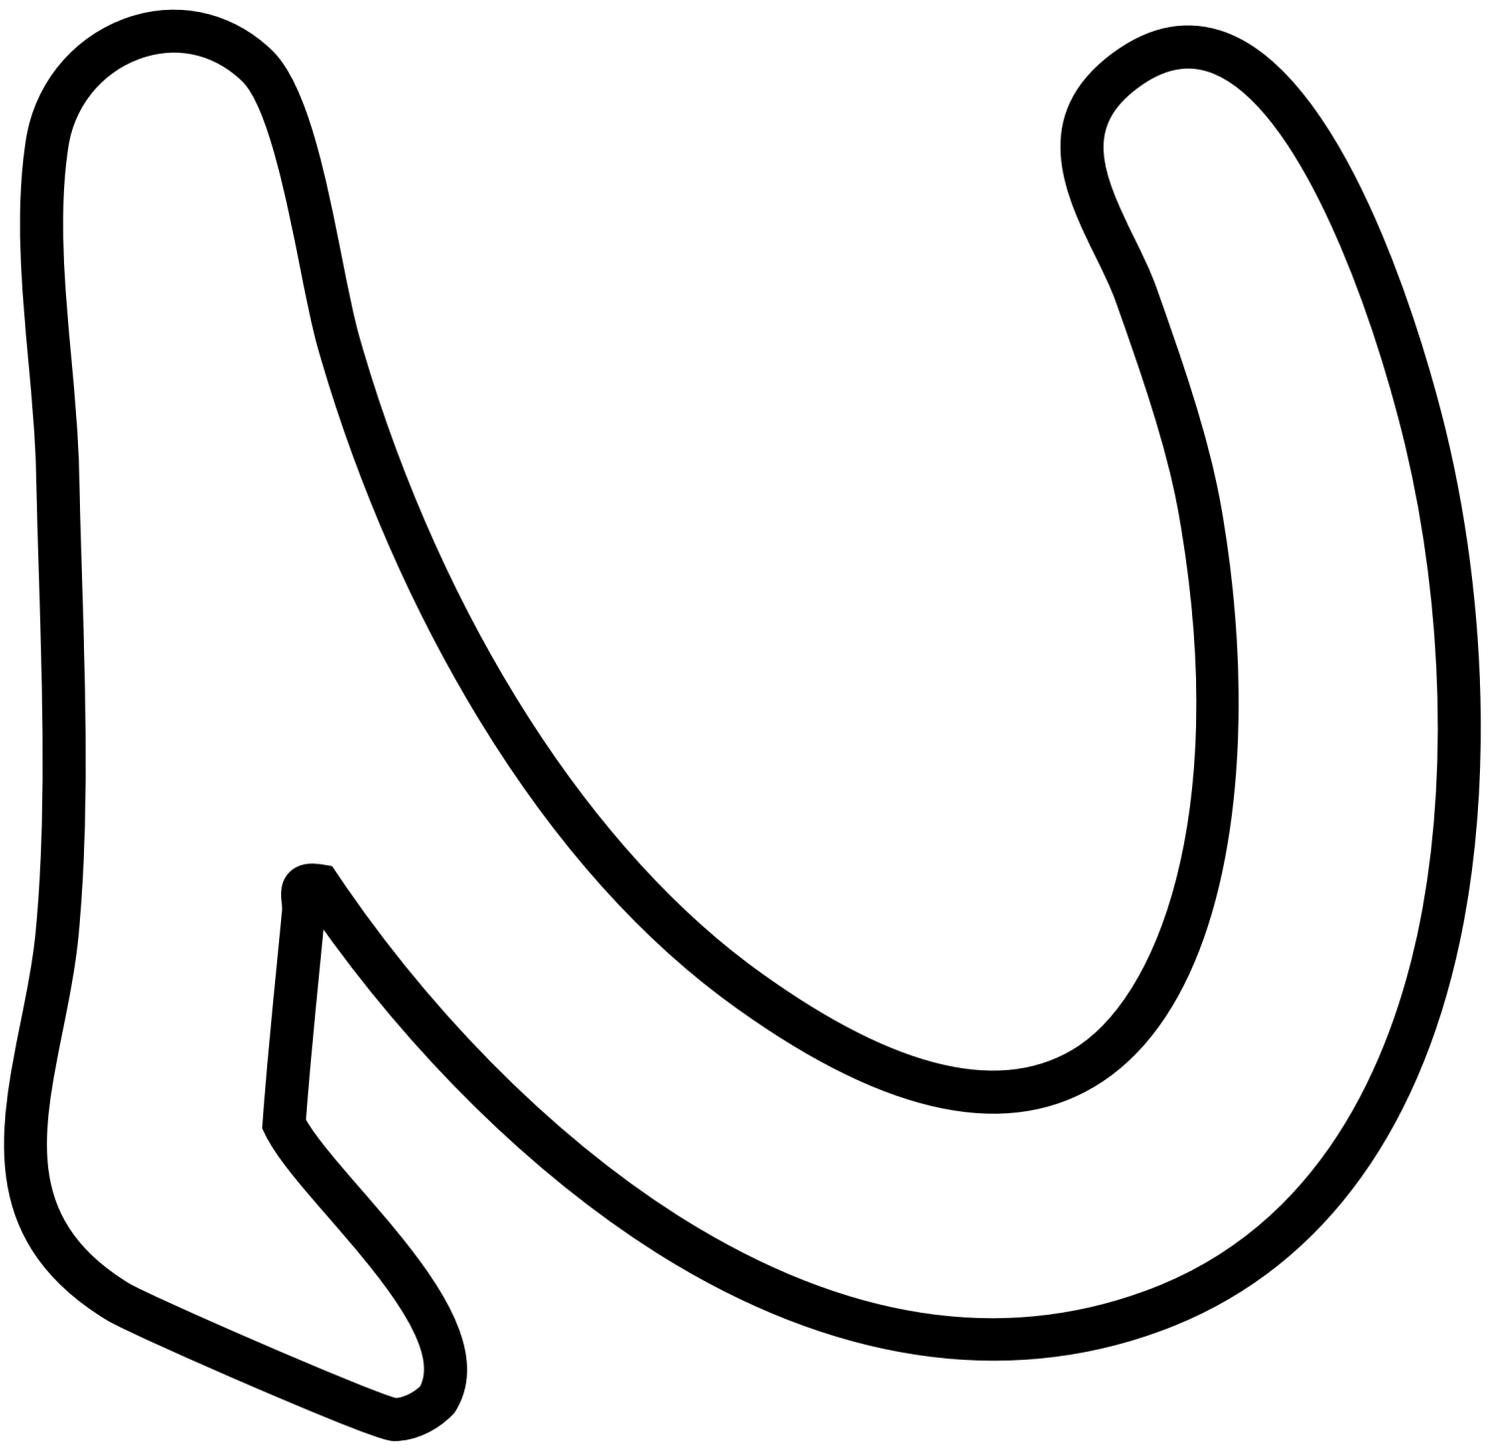

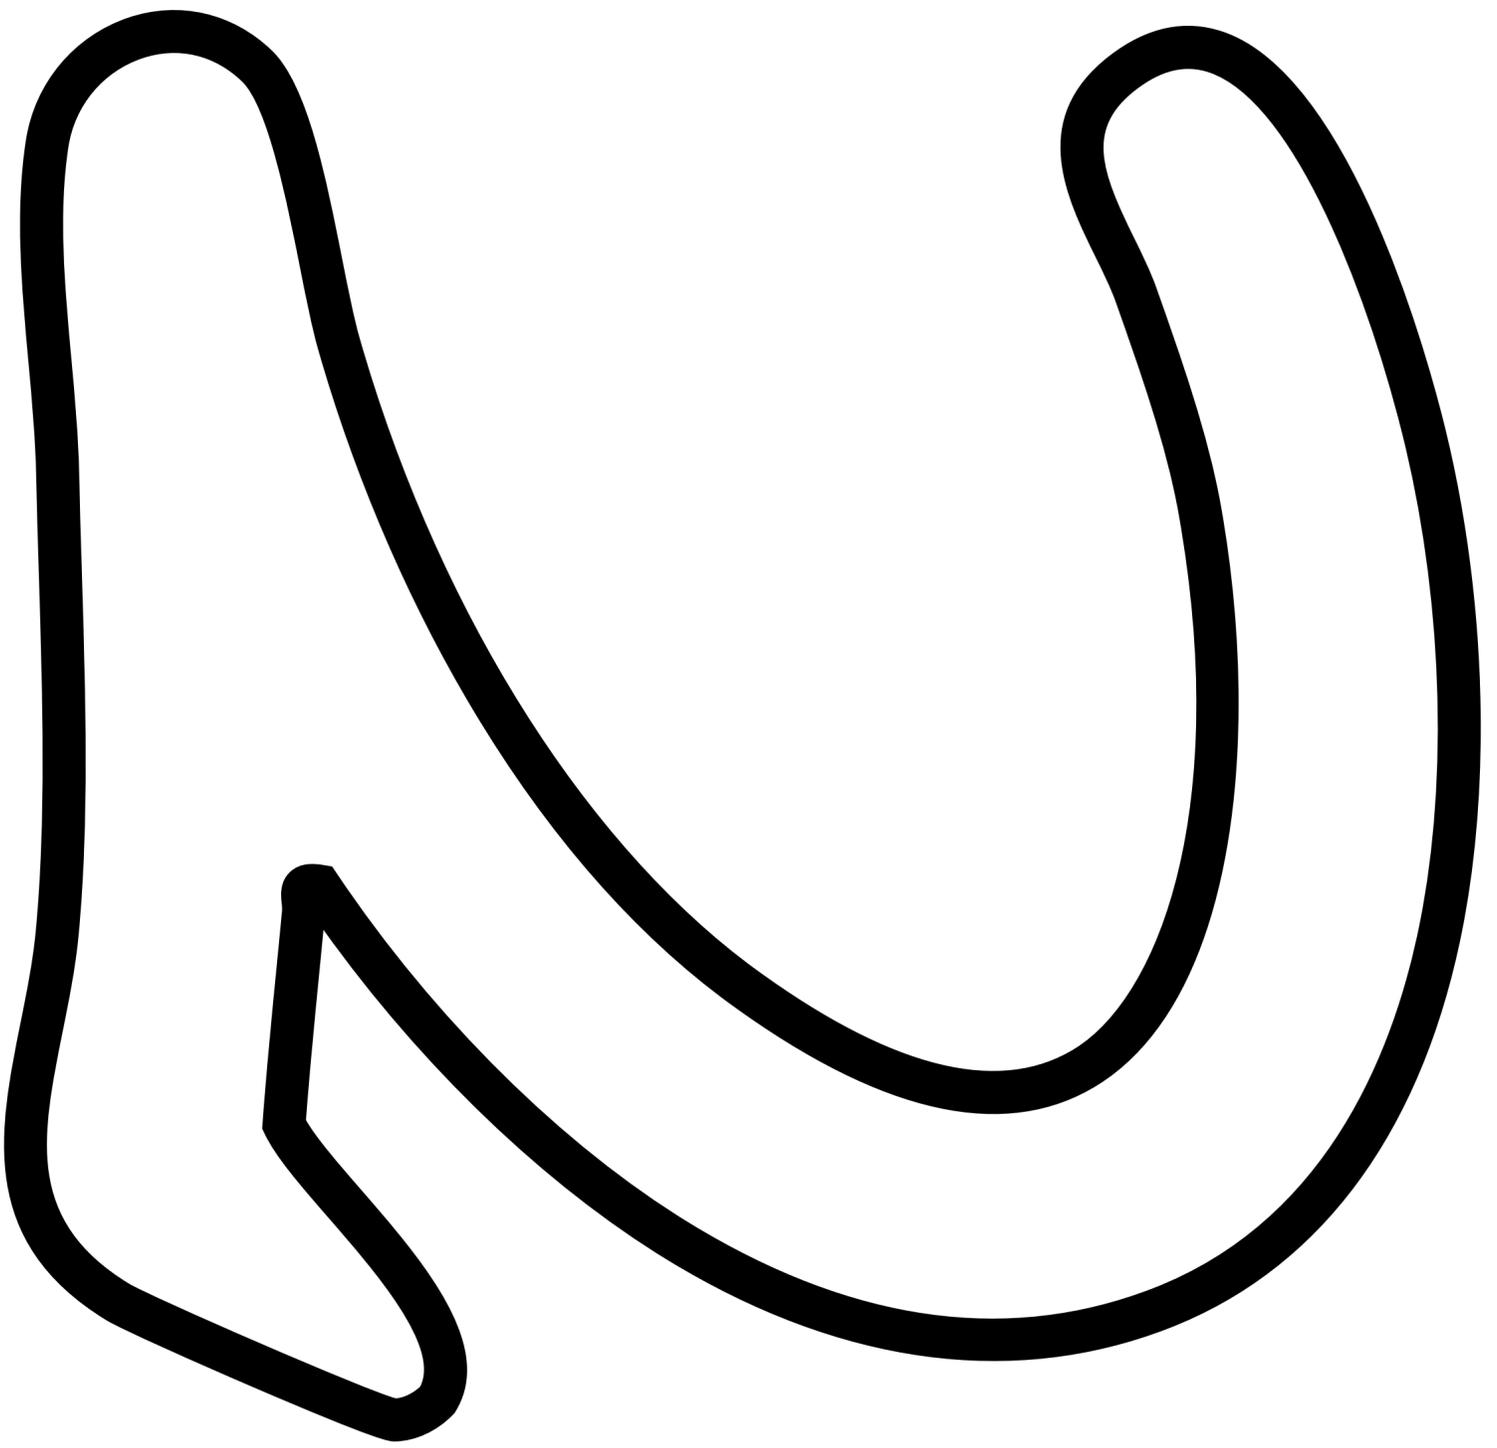

He and his brother Imam Husayn are the 2 leaders of the youth of Paradise.

When Imam Hasan grew up a poor man came to him for some food and money. He was so kind that he gave all his things to him.

He used to lay out tablespreads for everyone to eat. Let us celebrate his birthday by trying to be kind and generous like him.

One sad day his evil wife called Joda killed him and he is buried in Jannatul Baqi in Madina.

Oh Allah let us spread goodness like Imam Hasan(as).
