WEEK 1 -

INTRODUCTION TO GOD'S MATH

Lesson 1 -

No Matter Where You Are in Life

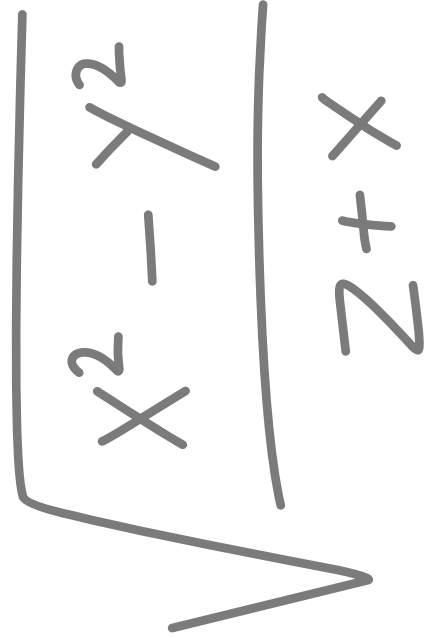

Understand that God's math can be applied regardless of one's current life situation. Reflect on your current position in your life's journey. Where are you in your life journey, and where do you want to go?

How can I apply God's math to my life now, and is this revelation new to me, or have I already been applying it?

Lesson 1 -

No Matter Where You Are in Life

“My job controls my salary, but I control my income.”

How do you differentiate between your salary and your income?

How can you take control of your income?

WEEK 1 -

Lesson 2 -

God's Math is an Inheritance

KEYWORD:

Heir - to have a legal right; possession by way of sonship.

How does this apply to your relationship with God?

What are the conditions or stipulations for the promises of God in your life?

Lesson 2-

God's Math is an Inheritance

"God's math is your inheritance!"

$$B \lim_{x \rightarrow 1} \frac{ctgx - 2}{\sqrt{11x^3}} \approx 2$$
$$S = \begin{bmatrix} 100 \\ 100 \\ 100 \end{bmatrix}$$
$$+ y^2 = z$$
$$\pi \approx 3.141$$
$$P = r^2 \pi (x+y)^2$$
$$\Delta t = T - \frac{3a}{x}$$
$$8x =$$

What is your role in fulfilling God's promises? How can you actively participate?

How will you claim and demand the promises of God once you meet the conditions?

Lesson 3 -

Two Are Better Than One

SCRIPTURES:

- **Ecclesiastes 4:9:** "Two are better than one because they have a good return for their labor."
- **Matthew 18:19-20:** "Again I say unto you, that if two of you shall agree on earth as touching any thing that they shall ask, it shall be done for them of my Father which is in heaven. For where two or three are gathered together in my name, there am I in the midst of them."
- **Mark 11:23:** "For verily I say unto you, That whosoever shall say unto this mountain, be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith."
- **Deuteronomy 32:30:** "...one chase a thousand, and two put ten thousand to flight..."

Chase - Pursue, harass, chase away.

Flight - Cause to disappear.

Lesson 3-

Two Are Better Than One

Agreement with
another person
and your word
brings these blessings.

What lie have I come into agreement with about being better alone? Renounce any lies you've believed about being better alone. Reflect on God's truth: Two are better than one.

Empty rectangular box for reflection.

Lesson 3-

Two Are Better Than One

Reflect on the guarantee of approval in Matthew 18:19-20. How does this promise impact my prayers and actions?

What things do I need to declare repeatedly in partnership with someone else to see them come to pass?

WEEK 1 -

Lesson 4 -

How to Activate God's Math

KEYS TO REMEMBER:

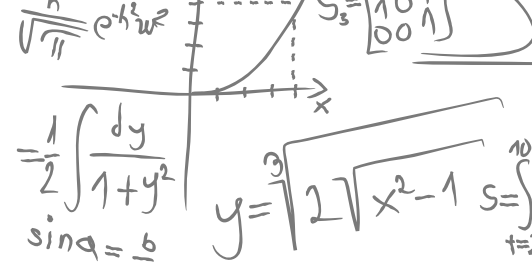

"Whatever demonic assignment has been on your life has to disappear
10X's in partnership and agreement with someone else."

What supernatural changes are you seeking in your life? How can you apply the principle of agreement to achieve them?

Lesson 4-

How to Activate God's Math in Your Life

**“IT DISRUPTS,
IT BREAKS THE RULES,
IT’S MIND-BOGGLING,
IT’S SUPERNATURAL”**

Reflect on how God's math has disrupted and transformed situations in your past. What excites you about applying this principle to your future?
