Change is inevitable... Growth is optional... Transformation is a CHOICE!!! – Willard Barth from the #1 Best Seller “The Anatomy of Transformation”

Do you know anyone that is being given information and experiencing changes that are dramatically affecting their businesses and their lives. Have you noticed how some will make the adjustments needed and “survive” while others will fall victim to “staying the course” and end up losing everything. Only a small number will actually make the needed transformations and **Thrive!!!**

What are the biggest problems people are currently facing?

- Financial Instability
- Strained personal and professional relationships
- Increasing health related issues
- Living a life that lacks fulfillment and happiness
- Uncertainty about the future and their place in it

Willard shares the skills and strategies that he used to go from alcohol addiction, being homeless and \$250,000 in debt to being recognized as *one of the top Transformation Experts in the world* with clients ranging from individuals, to small startups to multi-national corporations. He has taken what he has learned over the past 30 years to create a **proven system** for helping create measurable **results!**

Would you or someone you know be interested in learning the strategies that allowed his clients to get results like this?

- Went from being a drug addicted high school dropout to an aspiring astrophysicist, running 3 websites as a leading contributor to the Space and Astrophysics Industry
- Lost over 150lbs in 18 months
- A Jr College student who was asked to run a lab at the most prestigious University in the country for a project he developed.
- Increased Annual Revenues of a photographer who was in business for 10 years by 93% in just 1 year!
- Grew a 30-year-old company from 15 employees and \$32M in annual revenues to over 65 employees and \$124M in revenues in 18 months!
- Increased the number of clients with a Dr who had been in business for 15 years that resulted in \$45,000 in NEW business in just one month!

Willard is one of the most inspirational people I have met in my lifetime. His word means something! His outlook on life speaks for itself. I rarely write these kinds of recommendations. This one I couldn't get started fast enough. – Jim Copell - CEO Trust and Fiduciary Management Services
