

Hana Hala`i Corporation dba TeamWorks International

Message to Government Leaders:

Let's face it, your most difficult problems are with the people, the soft-side issues. Resistance to change, inability to solve problems, whine, whine, whine....

Are you struggling with poor communication, conflict, lack of engagement, or low productivity? We bring your teams from dysfunction and disorder to building collaboration, trust, alignment and higher productivity.

Many consultants often don't have the inclination or ability to wade into the "messy", emotionally charged people problems that drag organizations down. We do.

Hana Hala`i Corporation, dba TeamWorks International delivers custom-tailored solutions to your people, team and productivity struggles. We are Change Management and Productivity experts with 60+ years of combined expertise turning around teams and organizations.

10x Your People, 10x Your Agency
