## SPLIT SYSTEM AIR CONDITIONING PRICING

STANDARD BACK-TO-BACK INSTALLATION PRICE ONLY

2.0 kW - 2.9 kW-----	\$600.00
3.0 kW – 7.6 kW-----	\$700.00
7.7kW – 9.8 kW-----	\$800.00

### STANDARD BACK-TO-BACK INCLUSIONS:

Pricing above is based on a standard residential single story, brick and tile home. Installation includes the internal head unit mounted on and outside/external wall complete with three (3) meters of refrigeration pipework, ten (10) meters of electrical mains cable and two (2) meters of plastic capping. The outdoor condensing unit is to be installed directly behind the head unit at ground level on a hard surface. Any parts of the installation that fall outside of a standard back-to-back are classified as an extra and will be additionally charged for, please see our price list for more information. All pricing is GST inclusive.
