

From Gamers to Cyber Guardians: A Special Opportunity for Indiana Esports Network (IEN) Students

🎮 From Gamers to Cyber Guardians A Special Opportunity for Indiana Esports Network (IEN) Students In Partnership with Lionfish Cyber Security + Support from LANFest

Leveling Up Gaming Skills for Cybersecurity Careers

📍 IEN Students Already Lead the Way in Teamwork, Strategy & Digital Engagement Now it's time to level up those skills for real-world success. Thanks to Indiana's Career Scholarship Account (CSA) Program, students in grades 10–12 can now access FREE cybersecurity training from Lionfish Cyber Security—a disabled veteran-owned company focused on preparing students for careers in IT, cyber, and national defense. This opportunity is a perfect fit for IEN's mission to provide meaningful, skill-building pathways for students not traditionally reached by athletics or afterschool programs.

What's Included (at No Cost):

Training for CompTIA A+, Network+, and Security+ Certifications

Real-world labs in troubleshooting, help desk, and cybersecurity

College credit potential + \$50K+ career paths

Mentorship from certified instructors and college-level cyber mentors

Fully Instructor lead virtual & flexible — school hours

Funded through CSA — Scholarships are first-come, first-serve

Why It Matters to IEN & LANFest Aligned Communities:

- Boosts academic engagement and future readiness for student gamers
- Complements IEN's mission to develop 21st-century skills & inclusive teams
- Reinforces LANFest's goal of building healthy communities through gaming
- Creates a direct pathway to tech careers for underserved students
- Ideal for students who love gaming and want to turn passion into purpose

"Your players already think like analysts. Now let's help them become protectors in the digital world." —
Jeremy Miller, CEO, Lionfish Cyber Security

How to Get Started:

1. Students apply for CSA funding (Grades 10–12)
2. Coordinate class time with school if needed
3. Begin online training — all materials & mentorship provided

Want a speaker or info session at your school or IEN event? We're in.
