

Gama Construction and Building Ltd

Health & Safety Policy

1. Statement of Intent

Gama Construction and Building Ltd is fully committed to ensuring the health, safety, and welfare of all employees, subcontractors, clients, and members of the public who may be affected by our activities.

We will comply with all relevant UK Health & Safety legislation, including the Health and Safety at Work etc. Act 1974, the Management of Health & Safety at Work Regulations, and industry-specific standards.

Our objectives are to prevent accidents, reduce risks, provide safe systems of work, and continually improve health and safety performance through training, supervision, and employee consultation.

This policy will be reviewed annually or sooner if significant changes occur.
