

BEECS presents
**Week of the Young Child Kickoff
Community in Action**

We are excited to invite you to be a part of our Kickoff to the Week of the Young Child event Community in Action. We will highlight and bring to the forefront some of the needs of our community and work towards lifting our voices as one in our community. We seek representations from all sectors and issues that affect our black & brown community. A Call to Action to bring about changes in our respective sectors in Education, Health, Discrimination, Persecution. Please help us celebrate an event that will be informative, powerful, strong and united.
