

Nursery Hours and Fees

At Growing Stars Nursery, we offer two package options in line with current government early years funding guidance.

This allows families to choose the option that best meets their individual needs while ensuring transparency around fees.

Funded-Only Package

The Funded-Only Package covers government-funded early education hours only for eligible children. This includes the statutory Early Years Foundation Stage provision delivered by our qualified staff during funded hours.

There are no additional charges attached to this package, and it is available to eligible families.

Enhanced Funded Package

Our Enhanced Package is designed to provide the full Growing Stars Nursery experience!

In addition to the funded early education hours, this package includes meals, consumables, and extra-curricular activities to enhance your child's learning further.

The Enhanced Package enables us to:

- Provide nutritious daily meals of breakfast, cooked lunches and snacks.
- Offer greater flexibility and consistency across sessions
- Consumables include outings, extra-curricular activities, parent workshops, special occasion events and celebrations.

Designed to offer the full Growing Stars experience.

Deposit

To welcome your little star to Growing Stars Nursery, a £200 non-refundable registration fee is payable to secure their place. This fee includes a Growing Stars Nursery uniform starter pack, helping your child feel confident and part of our nursery family from day one.

The uniform set includes a Growing Stars Nursery top and jumper, along with a plain pair of black bottoms, perfect for all our adventures, messy play, and exciting activities!

While government-funded hours remain free, the Enhanced Package reflects the additional services and resources provided beyond the funded entitlement and helps us continue delivering high-quality care and education.

Meals are offered as part of our Enhanced Package and are charged separately where taken.

Families are free to choose either the Funded-Only Package or the Enhanced Package, and full details of costs are outlined in the price list that follows.

We are always happy to discuss both options further and support families in making an informed choice.
