

# HELP WANTED

*The Huntsville Traditional Music Association*  
(HTMA, [huntsvillefolk.org](http://huntsvillefolk.org)) is looking for a

## ***Live Sound Technical Lead***

to support its ongoing live music performance schedule in 2023.

Our concerts are approximately monthly, and typically involve an opening act, and a main act.

We have sound and lighting equipment, or you can use your own.

### **Responsibilities will include:**

- Advance coordination with HTMA volunteers planning the performance schedule
- Advance coordination of stage requirements and planning with the performers, and any supporting volunteers
- Plan and coordinate transport, setup, teardown of equipment
- Operate the equipment during soundcheck, performances, and transitions between acts

Applicants will be expected to:

- Show relevant experience and/or demonstrate proficiency in the required activities
- Commit to supporting all the HTMA concerts scheduled for 2023
- Provide a pricing plan for this support

Applicants should contact  
Lynne Edmondson
