

Our Referral Program

HOW GOOD DOES IT FEEL TO GET SOMETHING FOR NOTHING?

Hello,

BCF Contracting Group has been growing and expanding, and we want to bring you on board!

Customer referrals are the life blood of our business and let's face it, giving out referrals feels pretty good. That's why we'd like to reward you for any referrals you point in our direction.

BCF Contracting Group have now put into place a "**Referral Reward System**" so we can show you just how important you are to us by rewarding you for your valuable contribution to our growth. To show our appreciation we will be rewarding the referrer of any signed contract as follows:

Contracts between \$100,000 - \$350,000 you get rewarded with a luxury retreat for you and your family at Muskoka Bay Resort. You get the Stay and Play Package that includes stay for one night in a suite, breakfast and one round of Golf. **It's a perfect get away to disconnect and enjoy family time in the nature.**

Contracts above \$350,000 we reward you with a travel voucher or cash at your choice to the value of 1% of the new contract value.

For example, if we end up with a signed contract to the value of \$500,000 from a client who has been referred to us by you, you will receive a \$5000 travel voucher to be used on the destination of your choice. If the contract is worth \$750,000 then you'll receive a \$7,500 travel voucher, and if it's worth \$1,000,000 then you get \$10,000 travel voucher ... it's that easy!

You could see the world on us. How's that for appreciation?

AND it's a WIN-WIN-WIN...

You win because you receive a high value gift for each building renovation or new build referral you give us which converts into work. The referral gift is our present to you! And... Yes, you can refer yourself too! And... there is no limit on how many building referrals you can make, or how much you can earn from those referrals!

The person you refer wins because not only will they benefit from our expert advice, competitive quote, and fabulous building team, when they sign a contract with us, they will also receive a gift.

The person you refer is guaranteed 100% satisfaction with our service and their building work, and it's all fully covered by the Gold Guarantee.

And we win because we get to carry out more great projects around Toronto & GTA and build our business

So, what are you waiting for?

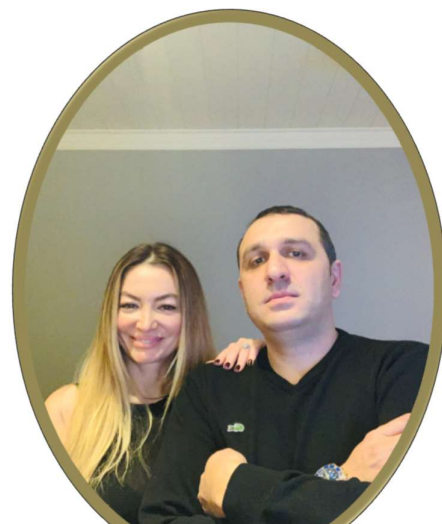

Tell your family, friends, and colleagues about **BCF Contracting Group**, and in return we look forward to presenting you with an amazing thank you present!

But... to ensure you receive your referral reward, please advise us by way of either the referral voucher, or by email, of their name and contact details as soon as possible after you make the referral, so we can enter their details into our system, and note that you are the referrer.

We look forward to catching up with you soon.

Kind regards,

Florin & Cornelia Barbu
