JESSICA GREEN

Business Accelerator Coach | Founder & CEO of Self Made Hub | Published Author

Jessica Green is a dynamic leader in business strategy, female entrepreneurship, and automation. Known for helping ambitious women turn their 9-5 frustrations into successful online businesses by monetizing their superpowers, Jessica has generated over \$100 million in sales. She is also the author of **SuperPower to Super Profit: The Self-Made Guide to Successful Entrepreneurship in a Technology-Driven World** (January 2024). Her book helps entrepreneurs identify their superpowers and provides a clear roadmap for using modern technology to scale businesses.

With extensive experience in leadership, time management, and tech automation, Jessica is an expert at building scalable systems and creating strategy for business owners. She has spoken at major events like GoPro Network Marketing and Success Factory, and she provides coaching for solo-preneurs and network marketing leaders.

NATASHA ROBERSON

CMO of Self Made Hub |
Founder of Mom to Millionaire

Natasha Roberson is a powerhouse in entrepreneurship, business automation, and scaling strategies. With a track record of leading her team to over \$290 million in sales and achieving the top rank in her direct sales company within four months, Natasha is a sought-after leader in the business world. As the co-founder of SELF-MADE, she empowers entrepreneurs to grow their businesses by leveraging technology and automation, helping them scale sustainably while reclaiming time and balance.

Natasha specializes in creating systems that drive results. From social media attraction marketing and lead generation to building digital assets and automating customer journeys, her expertise has transformed the way entrepreneurs approach growth. Over the past two years, SELF-MADE has equipped hundreds of business owners with the tools and training to infuse tech into their strategies, leading to measurable results and lasting impact.

A dynamic speaker, Natasha has shared stages with icons such as Grant Cardone, Rachel Hollis, Eric Worre, and Ray Higdon. She is passionate about empowering women to think bigger, take action, and build businesses aligned with their dreams.
