Dear REALTORS®,

Last night, you should have received a blast email from the staff at the SC Real Estate Commission with this subject line: ***Commission's Guidance -Recent Settlement and South Carolina Law***

This email was not approved by the Commissioners, specifically this sentence: ***"Additionally, this form also satisfies the requirements of Paragraph 58, subsection (vi) of the settlement agreement."***

The "Disclosure of Brokerage Relationships" form does not currently comply with the settlement provisions as stated in the REC email.

I spoke with the Chair and Vice Chair of the Commission this morning and they plan to issue an update/correction shortly. I am thankful for their quick action to address this error by staff.

If you have any questions, or need any additional information, please contact me or reply to this email. I apologize for any confusion.

Sincerely,

Nick Kremydas, CEO
